HONORING ALL WHO SERVED

Dear MUSD Families,

Every year at our Veterans Breakfast, there is a moment when the room goes quiet, and I see the faces of the people who have served our country. Some of them now serve as teachers and staff in our district. It moves me every time.

Once again, our Maricopa High School AFJROTC cadets honored the fallen, missing, and captured in the Missing Man Ceremony, carrying the moment with dignity well beyond their years. Chief Master Sergeant Scott Burton followed with a message on honor and sacrifice. Our culinary, choral, and dance students did the rest, each offering their own tribute to those who served.

This Wednesday is Veterans Day, and we hope you'll find a moment to thank a veteran.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
