Words from the Director of Programs
Ronda Carter

Dear WAY Academy Families,

As we enter the month of November, I am pleased to share some wonderful news with our school community: **our Count Period is officially over, and EVERY student has been counted!** This is an important milestone for our school, and I want to thank our parents and guardians for your cooperation, communication, and continued support throughout this process.

Your partnership plays a vital role in our school's success. Whether you made sure your student attended school, responded to our calls and messages, or helped your student meet school expectations, your efforts made a difference. We truly appreciate your commitment to WAY Academy of Flint.

As we move forward, please continue to encourage your student to attend school regularly, arrive on time, complete assignments, and remain focused on earning credits toward graduation. Every day is an opportunity to make progress, and we want to see each of our students succeed.

I am grateful for the opportunity to serve our students and families as Director. Thank you for trusting us with your child's education and for being an important part of the WAY Academy family.

Wishing you and your family a safe, happy, and healthy November!

With appreciation,

Miss Ronda Carter
