BLIND BROOK ATHLETICS

Weekly Community Update | November 7–13, 2026

Dear Blind Brook Community,

As our fall season comes to a close, we have much to celebrate! Our Trojans have demonstrated tremendous dedication, teamwork, and school spirit. Please join us in recognizing their achievements and preparing for the winter season.

Girls Varsity Volleyball — Sectional Championship Bound!

Congratulations to our Girls Varsity Volleyball team on its outstanding postseason success! The Trojans have earned a place in the Sectional Championship against Dobbs Ferry on Saturday, November 7, at 4:00 PM. Come out, fill the stands, and support our team as they compete for the sectional title! Thank you to our students, families, and fans for the incredible support throughout this exciting run.

Boys Varsity Volleyball — A Successful Inaugural Season

Congratulations to our Boys Varsity Volleyball team on completing its inaugural season in partnership with Rye! The team enjoyed a successful first year and qualified for sectional play. We are proud of our Trojans for helping build this new program and setting a strong foundation for the future.

Varsity Football Finishes Strong with a 20–0 Victory

Congratulations to our Varsity Football team on closing its season with an impressive 20–0 victory! John Marino recorded 74 all-purpose yards and two tackles. Liam Almanzar contributed one reception for five yards, two tackles, and three interceptions. Daniel Glantz totaled 154 all-purpose yards, two passing touchdowns, a pick-six, and five tackles. Congratulations to all our players and coaches on a strong finish to the season!

Good Luck at Sectionals — Cross Country and Swimming

Best wishes to our Varsity Cross Country runners as they compete on Saturday, November 7, at Bowdoin Park in Wappingers Falls for an opportunity to advance to the State Championships. We are cheering you on! We also wish Kalani Lee the very best as she represents Blind Brook at the Swimming Sectionals on Monday and Tuesday, November 9–10. Good luck, Kalani!

Winter Sports Registration — Register Now!

Registration is open for all winter sports: Modified, Freshman, Junior Varsity, and Varsity. Do not wait until the last minute! All student-athletes must be fully registered and cleared before participating in tryouts or practices. Missing forms or required medical documentation may delay clearance and prevent participation in initial tryout sessions.

How to Register for Winter Athletics

Log in to your Synergy ParentVUE account and select Online Registration → Athletics Registration. Carefully review and complete all required forms and medical documentation. For help accessing ParentVUE, contact cvonhollen@blindbrook.org.

Athletic Placement Process (APP) Reminder

As communicated this fall, the updated APP process no longer requires Tanner ratings or fitness testing. Students in grades 7 and 8 may be invited by the Director of Health, Physical Education, & Athletics to try out for a high school team. An invitation or recommendation does not guarantee a roster spot: students must participate in tryouts and earn a place on the team through the regular selection process.

Athletic Schedules & Calendar Subscriptions

Stay informed with our Game Schedule and Practice Schedule (under Athletic Resources). Please check frequently for changes. You can also subscribe to individual sport schedules: choose your sport on Digital Sports, select "Add to Calendar," copy the iCal link, and paste it into your calendar application. Watch the iCal video tutorial.

Friends of Blind Brook Fund — Week 2 of Fall Clinics

It is week two of the Friends of Blind Brook Fund fall sports clinics, featuring opportunities for middle school students in grades 6–8 to learn from our varsity coaches and high school varsity athletes. Clinics run from 3:30–4:40 PM at the Blind Brook MS/HS campus. All proceeds support Blind Brook students. Clinic details and registration. Questions? Email friendsofbbfund@gmail.com.
