Meet CECHS Science Teacher
Dr. Midgette

About Me

My name is Dr. Andrea Midgette and this is my 26th year teaching high school science. Put on your goggles and gloves because we will be thinking and doing science this year. I look forward to getting out of the classroom and doing science around campus. I am married and we have 2 boys. We all love music.

Favorites

Color: Purple
Food: Pasta
Snack: Fruit
Place: Beach or Forest
Drink: Hot Tea

Fun Facts

I love to sing and I am in my church choir. I will always consider myself a Californian even though I have lived in NC longer. I enjoy a good Suspense story
