Good Evening Rialto High School,

This is your Principal, Dr. Sweeney, with your Sunday phone call.

First, congratulations to boys cross country for winning their league championship on Saturday.

Next, seniors, the last day to take your photo for the yearbook is Thursday. This is not a full session, just the shot for the yearbook. Reach out to ASB for details.

All students. Attendance matters. Get in your seat before 8:40am. The next “Step Up” Saturday to make up absences is this Saturday from 8 – 12:15.

Sports for the week. Rialto football has made it to the first round of CIF and their first game is home this Friday. Come out and support our boys.

That’s all for the week, Rialto. Have a great week and remember our instructional focus is critical reading and writing across the curriculum and once a knight, always a knight.
