Good Evening Rialto High School,

This is your Principal, Dr. Sweeney, with your Sunday phone call.

First, parents, students, and staff, remember that this Wednesday is Veteran's Day and there will be no school.

Also, congratulations to our NJROTC who travelled to Hawaii this weekend to compete in four events and took home four first place finishes. Well done team. You represented Rialto well!

All students, the fall Harvest Festival is this Friday from 5-9pm. This is a cash only event. Come and hang out with your friends and our clubs.

Sports for the week. Although there are no home games this week, Rialto Football has made it to round 2 of the CIF playoffs and will be against Wilson on Friday night. Good luck Knights.

That's all for the week, Rialto. Have a great week and remember our instructional focus is critical reading and writing across the curriculum and once a knight, always a knight.
