ACCESS SERVICE 2026–2027

Access, Connection, Care, Empowerment, Support, Success

CoSer 551

The ACCESS service provides component districts with expert guidance, practical resources, professional learning, and customized support that promote student engagement, academic success, and well-being. ACCESS supports educators in creating welcoming and affirming learning environments that build upon the strengths and cultures of all students, including English Language Learners and students with disabilities.

Through an annual district subscription, districts gain access to regional expertise, professional learning, meaningful collaboration, and dedicated consultation aligned with local needs and New York State priorities. ACCESS helps districts advance Culturally Responsive-Sustaining Education (CR-SE), support the New York State Portrait of a Graduate with CR-SE at its core, and strengthen family and community engagement. Program offerings are aligned with the NYS Professional Standards for Educational Leaders (PSELs), NYS Teaching Standards, Seal of Civic Readiness, Dignity for All Students Act, and other NYSED initiatives.

ACCESS Service Subscription Package – $8,670

Core Service Components	Descriptions
