IMPORTANT DATES

Please read all of the rules carefully.

1. Setup of the Magnolia ISD Show Barn and adjacent facilities will be scheduled on *Sunday, September 11, 2027 at 8:00 a.m.*

2. Each 4-H exhibitor in the 2027 show must submit a "2027 Exhibitor Eligibility Form" signed by his/her principal, or the principal's designee, and by the applicable county extension agent (4-H) by the scheduled *project check-in time*.

3. Monetary earnings and live auction pictures will be distributed and/or mailed to exhibitors *on or before January 31, 2028.*

4. Each exhibitor will be given a list of their buyer(s) and add on contributor(s) in order to write thank you cards. Thank you notes must be handwritten on formal cards with matching envelopes; no notebook and/or printer paper. These lists will be given to the exhibitor by their agriculture science teacher and/or Magnolia ISD Livestock Show Committee (MISDLSC). If the exhibitor is not a high school or junior high school FFA member, it is the responsibility of the exhibitor to pick up the information sheets. These will be distributed the Wednesday before the 2027 Magnolia ISD Fall Break, and written thank cards will be due on October 22, 2027, to an agriculture science teacher. Thank you notes should have the district return address (provided), address of the buyer, be unsealed and without postage when submitted to the agriculture science teacher. Failure to turn these in on time will result in a $25 fine per business day that they are late.

5. Clean up of the Magnolia ISD Show Barn and adjacent facilities will be scheduled on *Sunday, September 19, 2027 at 9:00 a.m.* Exhibitors will be required to sign in no later than 9:10 a.m. for barn clean up. Any exhibitor who fails to attend the clean up and stay for its entirety will incur a $50.00 fine. If you are not receiving a check and have an outstanding fine, you will be expected to clear your account prior to entering the 2028 Magnolia ISD Livestock Show.

6. Breeding heifer entry forms and entry fees of $30.00 per animal are due to the MISDLSC by *August 27, 2027*.

7. Baked goods entry forms and entry fees of $30.00 per entry are due to the MISDLSC by *August 27, 2027.*

8. Floral Build-Off entry forms and entry fees of $50.00 per entry are due to the MISDLSC by *August 27, 2027*.

9. Weigh days will be on the following days:

    June 5, 2027 - At Magnolia High School
    June 12, 2027 - At Magnolia West High School
    August 14, 2027 - There will be showmanship clinics on this day at Magnolia High School.

All animals brought for clipping on these days must be clean and dry. Showmanship clinics for sheep and hogs will start at 8:00 a.m., goats and cattle at 9:00 a.m.

For more information and updates, please visit the Magnolia ISD Livestock Show website. Go to www.magnoliaisd.org. Hover over the COMMUNITY tab at the top of the page, and click on FFA/4-H Livestock Show.

2027 MAGNOLIA ISD LIVESTOCK SHOW
RULES AND PROCEDURES

NOTICE: All exhibitors are cautioned to carefully read the following rules and procedures; all rules will be strictly enforced.

GENERAL PROVISIONS

The Magnolia Independent School District (MISD) reserves to the Magnolia ISD Livestock Show Committee (MISDLSC) the final authority to interpret and apply the rules and procedures as set forth below. The MISDLSC will determine and settle all matters, questions, and differences in regard thereto or otherwise arising out of, and in connection with, or incident to the show.

The MISDLSC reserves the right to amend or supplement these rules, as it may deem necessary or advisable. In the event of any inconsistency or conflict of these rules and procedures with MISD policies or procedures, MISD policies and procedures will be controlled.

In consideration of the opportunity to participate in the show, each exhibitor, and his or her immediate family member(s), parent(s), guardian(s) and/or representative(s) agree to be bound by the rules and procedures as published herein. Anyone who violates and/or refuses to follow any of the rules and procedures as published shall not be allowed to enter, tag-in and/or participate in the Magnolia ISD Livestock Show, and/or will forfeit all privileges and/or premiums won, and/or may forfeit all rights and privileges to enter, participate and/or exhibit in the future at the Magnolia ISD Livestock Show.

THE FOLLOWING RULES AND PROCEDURES HAVE BEEN ADOPTED BY THE MAGNOLIA ISD LIVESTOCK SHOW COMMITTEE.

GENERAL RULES

1. The 2027 Magnolia ISD Livestock Show will be held on Wednesday, September 15, 2027 through Sunday September 19, 2027, unless postponed and/or rescheduled by the MISDLSC.
2. The MISDLSC and Magnolia Independent School District shall not be liable for any personal injuries, damages, fires, thefts, or accidents.
3. Exhibitors must be enrolled and attending Magnolia Independent School District prior to the due date of entries or must present a letter of intent to enroll to the MISDLSC stating that the exhibitor will be attending Magnolia Independent School District schools at the beginning of the 2027-2028 school year. Exhibitors must start school on the first day of the Magnolia Independent School District calendar year and attend through November 6, 2027 in order to be eligible for any prize/auction money resulting from participation in the Magnolia ISD Livestock Show. Any enrolled student who either withdraws from Magnolia Independent School District subsequent to entry or fails to enroll at the beginning of the 2027-2028 school year shall become ineligible to exhibit at the show.
4. Exhibitors must be active members of a Magnolia ISD FFA Chapter or Junior FFA Chapter and/or any Montgomery County 4-H Club, and be in good standing with that organization. Each exhibitor must be a paid member of one of these qualifying organizations. Failure to fulfill this requirement will result in disqualification of a student from the show.
5. All UIL “No Pass, No Play” rules are in effect and enforced before and during the show.
6. Each 4-H exhibitor in the 2027 Magnolia ISD Livestock Show must submit a “2027 Exhibitor Eligibility Form” signed by his/her principal, or the principal’s designee, and by the county extension agent (4-H) by the scheduled project check-in time.
7. 4-H chapters and leaders assisting those students who have registered to show under 4-H must be designated by September 1, 2027.
8. Exhibitors, or their parents/legal guardians or relatives, not cooperating with security personnel, the MISDLSC or any other show representatives, in all matters or policies, shall be subject to disqualification of his/her entries, and his/her animal project(s) may be ordered to be removed from the grounds immediately, at the discretion of the MISDLSC.

9. The mandatory dress code for each exhibitor during the Magnolia ISD Livestock Show shall consist of black pants or black jeans or a black skirt below the knee with no holes, a collared, sleeved shirt (tucked in) without excessive monogramming, and solid black or solid brown shoes or boots (closed toed and closed heeled). No shorts, t-shirts, hats and/or caps will be allowed. Failure to comply with this dress code shall result in disqualification of the exhibitor and his/her project.
10. Protests of any decision or ruling of the MISDLSC must be submitted in writing and accompanied by $100.00 in the form of cash, a cashier's check or money order, which will be forfeited if such protest is not sustained. Protests must plainly state the cause of the complaint or appeal and must be delivered to the MISDLSC chairperson. Any protest must be logged within 30 minutes of the conclusion of the class in which the protested event occurred. Judging procedures will not be interrupted for protest investigation, and, depending on the basis of the protest, the decision may be withheld until a complete investigation has been conducted.
11. Any exhibitor's project that is disqualified from the show or not exhibited shall not be eligible to participate in the Live Auction or Post-Sale.
12. Official show start time will begin on Thursday, September 16, 2027 at 4:00 p.m.
13. The barn will close one hour after the conclusion of the Live Auction on Saturday, September 18, 2027.
14. All baked goods exhibitors must be in official show dress at the time of check-in, during interviews, and when results are announced in the ring (after the steer show).
15. All Floral Build-Off exhibitors must be in official show dress at the time of check-in and when results are announced.
16. Steers, hogs, sheep, and goats will not be allowed to leave until Sunday morning; unless sheep or goats are sold to the resale trailer by buyer or exhibitor.
17. Animals taken off of Post-Sale must have a release form signed by the MISDLSC chair or designee to be removed Sunday morning.
18. Any exhibitor falsifying documents or violating any policy or rule contained herein will be subject to: (1) disqualification from participating in the 2027 show; (2) forfeiting all money and/or prizes due for the current show; and/or (3) forfeiting all rights and privileges to participate in future Magnolia ISD Livestock Shows, at the sole discretion of the MISDLSC.

LIVESTOCK DIVISION

General Livestock Rules

1. All animal projects, except heifers (see Breeding Heifer Division rules), to be exhibited in the 2027 Magnolia ISD Livestock Show must be purchased through the MISDLSC. Exhibitors who anticipate exhibiting market animals at the show must sign up at the early sign-up, online, in-person sign-up or the late sign-up dates. The show rules must be signed by both the exhibitor and a parent/legal guardian and the "Certification of Rules" must be submitted to the MISDLSC at the date of sign-up. If the MISDLSC does not have a copy of the "Certification of Rules" signed by both the exhibitor and a parent/legal guardian the exhibitor will not be allowed to participate in the 2027 Magnolia ISD Livestock Show.
2. Complete purchase price for market animal projects and entry form/fee of $30 will be collected with the entry of the animals. Purchase prices and entry fees, as applicable, are non-refundable.
3. Neither the MISDLSC nor the breeder/supplier will be responsible for the death, lameness or disposition of any market animal. There will be absolutely no hardship cases for any animal and/or exhibitor. It is the exhibitor's responsibility to assess the health and condition of animal specimens at selection.
4. Exhibitors may purchase and exhibit one market animal or "pen" per division, as applicable.
5. Any exhibitor having two or more market animals eligible for sale can sell only one project with the exception of the following case. See rule 6. Exhibitors may, however, list any remaining market animal projects for sale in the Post-Sale.
6. All overall Grand Champion and Reserve Grand Champion market animals must sell. Accordingly, if an exhibitor has more than one overall Grand Champion or Reserve Grand Champion project in one or more market animal divisions, the exhibitor shall be allowed to sell all such animals in the Live Auction.
7. It is required that each species has at least three entries by the entry deadline. If less than three exhibitors are entered for a show, exhibitors will be notified and allowed to enter another species.
8. Only livestock projects entered/exhibited in the Magnolia ISD Livestock Show will be allowed on the show grounds. **No dogs, pets or other livestock are allowed on the show grounds or school grounds during the MISD Livestock Show. No dogs or pets are allowed on the school grounds at any MISD function except for certified service animals.**

9. Each exhibited livestock projects must be owned by, under the daily care of the exhibitor under the direction and assistance from parents, siblings, grandparents or legal guardians; MISDLSC representative, 4-H leaders (as of current year) and/or exhibitors from the date of selection or purchase, whichever occurs later, until the conclusion of the show.
10. Each livestock project may only be exhibited by the original exhibitor/purchaser/owner, except as provided herein. No substitute showmen will be allowed to exhibit any animal project, except in the case of an acute medical condition or the death of an immediate family member (parent, legal guardian, sibling or grandparent). The substitute showman must be a member in good standing of the same organization as the exhibitor and must also be an exhibitor in the 2027 MISD Livestock Show, but not showing an animal in the same division. An exhibitor or his/her parent/legal guardian must apply in writing to the MISDLSC stating the justification for and identity of the substitute showman. Substitute showmen participating in any livestock class must adhere to the mandatory dress code. Any substitute showman will not be eligible to participate in the showmanship event for that animal division.
11. In the event, an exhibitor needs assistance in the rabbit, turkey or broiler division, a MISDLSC member may assist, regardless of attire.
12. **Only MISDLSC representatives, 4-H Manager or Project Leader (as of current school year), immediate family members (parents/legal guardian, grandparents, brothers, sisters), and/or exhibitors will be allowed to groom market and breeding animal projects during the show**. Each exhibitor is responsible for limiting access to handling and fitting of his/her project to authorized parties.
13. The MISDLSC reserves the right to remove or cause to be removed from the show grounds any animal project deemed unsuitable for exhibition, or which represents an unacceptable hazard to exhibitors, judges, show staff or those attending the show.
14. No decorations, including, but not limited to, paint, glitter, glue, balloons, tape or flowers, may be applied to animal projects during the show or live auction. Animal projects must be presented at the live auction in the same state as exhibited in show competition. Baskets supplied by MISDLSC will be allowed for broilers and rabbits.
15. Showing of unethically fitted livestock is strictly prohibited. Unethical fitting includes, but is not limited to, the following: (1) any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means including paint, glue, adhesives, powder or oil; (2) the use of injections or feeding of any material not conducive to the health of the animal, safety of food or marketability of its carcass; and (3) artificially filling animals by stomach pumping, airing injections or bruising. Any animal project deemed to have been unethically fitted by the MISDLSC will result in both the exhibitor and his/her animal project being disqualified.
16. Medication & Drug Administration
    a. **Legal Use of Approved Drugs:** If any approved drug has been administered to a market livestock project, sufficient time must have passed so that the animal does not test positive for any drugs or chemicals at weigh in or during the show.
    b. **Illegal Use of Unapproved Drug:** The showing of any animals that have been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. Such drugs include, but are not limited to, any diuretic, unapproved growth stimulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals including animals that may be destined for human consumption. Use of unapproved drugs is illegal by violation of federal law.
    c. **Extra-Label use of Drugs:** The use by non-veterinarians of animal drugs or other substances in any manner other than in accord with the labeling approved by the FDA is extra-label drug use and is illegal by violation of federal law. Exhibitor and exhibitor's parents and/or guardians agree that: (1) they are absolutely responsible persons for the care and custody of their animals; (2) the MISDLSC shall be entitled to disqualify an exhibitor whose animal tests positive for any drug; and (3) drug test results of the testing laboratories are final and binding upon the exhibitor and exhibitor's parents and/or guardians. Even if the source of the drug is unknown, the MISDLSC shall be entitled to disqualify the exhibitor.
    d. **Animal Inspection:** As condition for participation in the show, exhibitor must agree to submit any animal entered by the exhibitor for inspection. Exhibitor agrees to have such animal submitted to any test requested by the show. Exhibitor also agrees that the opinion reached by the show or its officials as to whether such animal is unethically fitted shall be final and binding without recourse against the Show or any of its officers. Further, the show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any animal entered for competition. The

conclusions reached by the laboratory as to whether such animal has been administered a diuretic, unapproved growth stimulant or other unapproved medication, or has not been properly withdrawn from approved drugs shall be final and binding without recourse against the show or any of its officers. An exhibitor of an animal testing positive for any drug or medication or unapproved chemical may forfeit all rights and privileges to exhibit livestock in the future at the show.

e. Abuse of the extra-label drug use privilege or non-compliance with the FDA extra-label drug use policy by veterinarians is a violation of federal law and is subject to serious consequences such as license revocation by the State Board of Veterinary Medical Examiners.

14. Drug testing of market animal projects will be implemented at the 2027 Magnolia ISD Livestock Show. Grand Champion, Reserve Champion and one random entry from each species will be subject to drug testing immediately following the species show. Parent or legal guardian must be present for drug testing.
15. Carcasses of each large market animal division's Grand Champion and Reserve Champion projects will be inspected at a USDA approved processing facility designated by the MISDLSC.
16. The usage of magnawaving, massage guns, or any electronic related care to animals during the duration of the show is prohibited.
17. In the event that a veterinarian is needed to examine an animal during the duration of the show, an agriculture science teacher or MISDLSC member must be notified prior to examination.
18. The MISDLSC reserves the right to combine classes or to create a class or classes, if deemed necessary, based on the number of entrants in each livestock category.
19. Showmanship competition will be held for the following animal categories: steers, hogs, sheep, goats, and breeding heifers. Each showmanship category will be broken into a Junior Division, grades 3-8, and the Senior Division, grades 9-12. Showmanship competition will be held immediately following the conclusion of the sale order placement of each applicable animal category.
20. Showmanship exhibitors must compete with their own show projects in the showmanship classes.
21. Exhibitors are responsible for providing feed and water for their animal projects from the time the projects arrive on the show grounds until closing of the barn Saturday evening after auction ends.
22. Exhibitors must keep their animal projects and stall/pen areas clean at all times.
23. Animal projects remaining on the show grounds after 9:00 a.m., Sunday, September 19, 2027, following the show will become the property of the MISDLSC.
24. Parents/legal guardians will not be allowed to assist exhibitors during judging, unless the exhibitor has an existing medical or physical disability. The exhibitor must have authorization from a representative of the MISDLSC in order to assist or have assistance. No parent/legal guardian, sibling or relative of an exhibitor shall enter the show ring or designated exhibition area during competition without the specific approval of the MISDLSC or at the request of the show staff.
25. The show grounds will be closed to all non-security personnel at 10:00 p.m. and re-opened the following morning at 6:00 a.m. All show animals must remain in the show barn area, within the cyclone fence, from the time of check-in until release following the show. The MISDLSC shall not be responsible for improper feeding, medication administration, vandalism, etc., of projects by unauthorized parties. Exhibitors are responsible for the security of their projects during show hours.
26. Any market animal project checked into the show without valid identification recorded by the designated MISDLSC representative will be subject to DNA testing. In the event of a lost ear tag, an exhibitor should contact an Agricultural Science Instructor or designated MISDLSC representative immediately.
27. No hay or straw will be allowed for bedding.
28. Pop Up Canopy Tents will be allowed only in the designated areas deemed by the MISD Livestock Show Committee. Tents may be no larger than 10 feet by 10 feet. Tents must be tethered and secured at all times. No electric power of any kind is allowed in the designated tent areas. Tents may be set up after the Exhibitor Meeting on Thursday, once permission from a MISDLSC member has been given. Tents must be dropped to the lowest level by barn closing each night. Tents must be removed before the start of the heifer show on Saturday morning.
29. Exhibitor-owned Port-O-Cools, freestanding fans, and generators will not be allowed. All fans MUST be battery operated and secured to the fence. Cattle will be allowed hanging electrical fans.
30. Only zip ties may be used to affix your items to the fence.
31. Steers, hogs, sheep, and goats will not be allowed to leave until Sunday morning; unless sheep or goats are sold to the resale trailer by buyer or exhibitor.
32. Animals taken off of Post-Sale must have a release form signed by the MISDLSC chair or designee to be removed Sunday morning.

Selection Rules (Tag-In)

Large Animals (Steers, Hogs, Sheep, Goats)

1. Large market animals will be selected on the dates and at the times set forth.
2. Exhibitors will attend a selection draw for their species on the date and time set by the MISDLSC. Exhibitors will sign in and randomly pull their selection number in the order that they signed in. The number drawn will be their designated selection number. Exhibitors not able to attend draw selection may have a parent/guardian attend for them. The parent/guardian in attendance will draw following all students physically present. If a student or parent/guardian can not attend, an agriculture science teacher will draw the absent student's selection number at the end of all draws. Following the selection draw, an email will be sent out with the students assigned time for the date of animal selections.
3. Project selection will start at the time set forth, or as designated by the MISDLSC.
4. Each exhibitor along with one (1) of his/her parent/legal guardian may select the large animal project. Any exhibitor will be disqualified if found to have anyone other than a parent/legal guardian.
5. At each exhibitor's turn, the exhibitor and parent/legal guardian will have a 8 minute preview outside the pens. Then a maximum of eight (8) minutes will be allowed for project selection inside the pen with only one exhibitor in the pen at a time. Any exhibitor who fails to select his/her animal project in the allotted eight (8) minutes shall relinquish his/her turn and next person selecting can make their selection, which is defined as occurring immediately prior to any necessary random selections.
6. If the exhibitor is unable to attend on the date/time of the selection, he/she may have a parent/legal guardian select for them. However, the parent/legal guardian will automatically select at the end of the exhibitors signed in on time. If more than one exhibitor is unable to attend the selection, the parents/legal guardians will select in order of number assigned by random drawing.
7. If neither the exhibitor nor his/her parent/legal guardian can attend, then a project will be selected by an MISDLSC representative by means of a random drawing, after all attending exhibitors have made their selections. Approval must be granted in advance by the MISDLSC. Exhibitors must designate a responsible party to take possession of and sign for the animal project. MISDLSC will not be responsible for the project once it has been signed for and removed from the show grounds.
8. If the exhibitor/parent/legal guardian does not attend or the designated representative does not have written authorization for the large animal selection, the purchase price and entry fee will be forfeited, and the animal will become property of the MISDLSC.
9. All large animal projects (steers, sheep, goats, hogs) will be subject to an identification procedure after the completion of the selection process. Exhibitors will be responsible for verifying that their projects are properly identified before departing the show grounds.
10. Exhibitors will be required to have their picture taken with the selected hooved animal by a MISDLSC representative at the time of selection to be kept by the MISDLSC for animal identification purposes.
11. The selection order will go as follows: 1.) Order produced by the exhibitor draw selection, 2.) Parent of absent exhibitor from early/in-person entries (draw for order if more than one), 3.) Late sign in (if arrival is before the end of selection) 4.) MISD Livestock Show Committee chooses for anyone not present to select.

Small Animals (Broilers, Rabbits, Turkeys)

1. Small animals will be picked up at the dates and times set forth. The animals shall be picked up at the MHS Agriculture Shop.
2. Exhibitors will be assigned a numbered box by randomly pulling their selection number in the order that they signed in. The number drawn will be their designated box number. If a student or parent/guardian can not attend, an agriculture science teacher will draw the absent student's selection number at the end of all draws.
3. Exhibitors will begin signing in to draw their numbers 30 minutes prior to the selection time.
4. Wing bands and/or tattoo numbers must be recorded prior to departure with the animals. Exhibitors should verify that all numbers have been recorded properly before leaving the premises.
5. Due to damage or death in shipping of the small animals, an equal number will be distributed to each exhibitor at actual time of delivery.
6. If the exhibitor/parent/legal guardian or other designee does not pick up broilers, turkeys, or rabbits by the times and dates designated, all money will be forfeited and the small animals will become the property of MISDLSC.

Check-In and Exhibition

General Rules

1. The MISDLSC shall publish the schedule for move-in, check-in and/or weigh-in, as applicable, for all livestock divisions and non livestock divisions.
2. All livestock exhibitors shall pen or tie their projects at the direction of the MISDLSC representative in charge of each respective animal category.
3. Any exhibitor, or parent/legal guardian, failing to check-in or weigh-in his/her project at the scheduled time will be disqualified from competition in that division.
4. Animals will be weighed once at the time of check-in/weigh-in.
5. Should an exhibitor fail to deliver his/her animal project to the show ring or designated competition area when called, the exhibitor and his/her project will be disqualified from competition in that division.
6. Pre-Sale forms must be submitted at check-in per species.

Steer Division

1. This division is subject to the General Rules as well as the General Livestock Rules.
2. Payment of steers is due November 17, 2026.
3. In order to enter the show, the steer must be the property of the exhibitor for the complete feeding period and must be a **minimum weight of 950 pounds**.
4. Parents/guardians will not be allowed to assist the exhibitors during judging.

Live Auction/Sale Rules

1. All qualified market animal projects sold during the Live Auction will have a 10% commission fee deducted from the total proceeds.
2. There will be a minimum of eighty-two (82) sale lots in the Live Auction. This consists of at least 80 live animal lots, the commemorative buckle and the sweetheart cakes. Individual species sale lot numbers will be determined by the MISDLSC at the May meeting.
3. Each qualified livestock exhibitor or alternate is required to attend the MISDLS Sale Order Meeting following the conclusion of the heifer competition, at approximately 1:30 p.m., on Saturday, September 18, 2027.
4. Any exhibitor having two or more market animals eligible for sale can sell only one project with the exception of the following case. See rule 5. Exhibitors may, however, list any remaining market animal projects for sale in the Post-Sale.
5. All overall Grand Champion and Reserve Grand Champion market animals must sell. Accordingly, if an exhibitor has more than one overall Grand Champion or Reserve Grand Champion project in one or more market animal divisions, the exhibitor shall be allowed to sell all such animals in the Live Auction.
6. If the qualified exhibitor is unable to attend the Sale Order Meeting; a parent/guardian may attend for them. The MISDLSC chairman must be notified of absence in writing prior to the start of the meeting. Any student unable to attend but has a parent/guardian that is able to attend will forfeit $100.00 from his/her proceeds from the show, if any. Exhibitors who do not attend and do not have a parent/guardian attend will forfeit their spot in the sale.
7. All market livestock alternates are required to be present at the mandatory sale order meeting at approximately 1:30 p.m., on Saturday, September 18, 2027, in order to claim their potential spot in the live auction sale. If an alternate is pulled into the sale and they are not present, the following alternate is able to claim their spot.
8. Sweethearts from both schools will provide and sell a cake at the live auction. The proceeds will be split evenly between the two sweethearts.
9. If a qualified exhibitor fails to bring his/her market animal into the auction ring in the designated sale order after the third (3rd) call, that particular exhibitor/animal project will forfeit the opportunity to be included in the Live Auction/Sale/Post-Sale AND will forfeit the opportunity to participate in the 2028 Magnolia ISD Livestock Show.
10. Exhibitors who qualify for the live auction are required to have their pictures taken with their animal project by the show photographer. Exhibitors will be required to purchase a picture/plaque for their buyer and/or buyers. The cost of the picture/plaque will be deducted from the exhibitor's check. No money will be paid to any exhibitor who did not have a picture taken with the sale animal.
11. The MISDLSC shall not be held liable for funds owed to an exhibitor if their buyer fails to fulfill his/her financial obligations.
12. It is the responsibility of the exhibitor to deliver his/her project and buyer's photo to the buyer(s), or to the location designated by the buyer. Buyer photos will be given to the exhibitor by their agriculture science teacher and/or MISDLSC. If the exhibitor is not a high school or junior high school FFA member, it is the responsibility of the exhibitor to pick up the photos. Once photos are distributed to students they will have 14 days to deliver to the buyer and return the delivery form to an agriculture science teacher. Failure to turn these in on time will result in a $25 fine per business day that they are late.
13. The only helpers allowed on the stage during the live auction must be in official show dress and exhibitors at the show. Helpers are only allowed for Grand Champion and Reserve Champion lots.
14. Any live auction sale project donated back to the exhibitor may not be resold at the Live Auction or Post-Sale.

16. No decorations, including, but not limited to, paint, glitter, glue, balloons, ribbons, tape, or flowers may be used during the show or sale. The animal must be presented at the live auction in the same state as it was exhibited in the show competition. Baskets supplied by MISDLS will be allowed for broilers and rabbits.
17. **Carcasses of each large market animal division's Grand Champion and Reserve Champion projects will be inspected at the USDA approved processing facility designated by the MISDLSC.**
18. Cleanup of the Magnolia ISD Show Barn and adjacent facilities will be scheduled on Sunday, September 19, 2027 at 9:00 a.m. **All Livestock exhibitors will be required to sign in no later than 9:10 a.m. for barn clean up. Any livestock exhibitor who fails to attend the cleanup and stay for its entirety will**

incur a $50.00 fine. If you are not receiving a show check you will be expected to clear your account prior to entering the 2028 Magnolia ISD Livestock Show.

19. Each exhibitor will be given a list of their buyer(s) and add on contributor(s) in order to write thank you cards. Thank you notes must be handwritten on formal cards with matching envelopes; no notebook and/or printer paper. These lists will be given to the exhibitor by their agriculture science teacher and/or Magnolia ISD Livestock Show Committee (MISDLSC). If the exhibitor is not a high school or junior high school FFA member, it is the responsibility of the exhibitor to pick up the information sheets. These will be distributed the Wednesday before the 2027 Magnolia ISD Fall Break, and written thank cards will be due on October 22, 2027, to an agriculture science teacher. Thank you notes should have the district return address (provided), address of the buyer, be unsealed and without postage when submitted to the agriculture science teacher. Failure to turn these in on time will result in a $25 fine per business day that they are late.
20. Students and parents are not permitted to ask the buyer for their animal to be donated back to the student.
21. Steers, hogs, sheep, and goats **may not be removed from the showgrounds until Sunday morning at 8:30 a.m.** Entry onto the property will only be permitted after all processors have departed and the Magnolia ISD Livestock Show Committee (MISDLSC) has given approval to enter. With the exception of sheep and goats sold to the resale trailer by either the buyer or exhibitor.
22. Any animals sold under private treaty must be delivered to the processor/buyer by the exhibitor. The MISDLSC will not be responsible for delivering the animal to the processor unless the MISDLSC has a release form signed by all parties.

Pre-Sale Rules

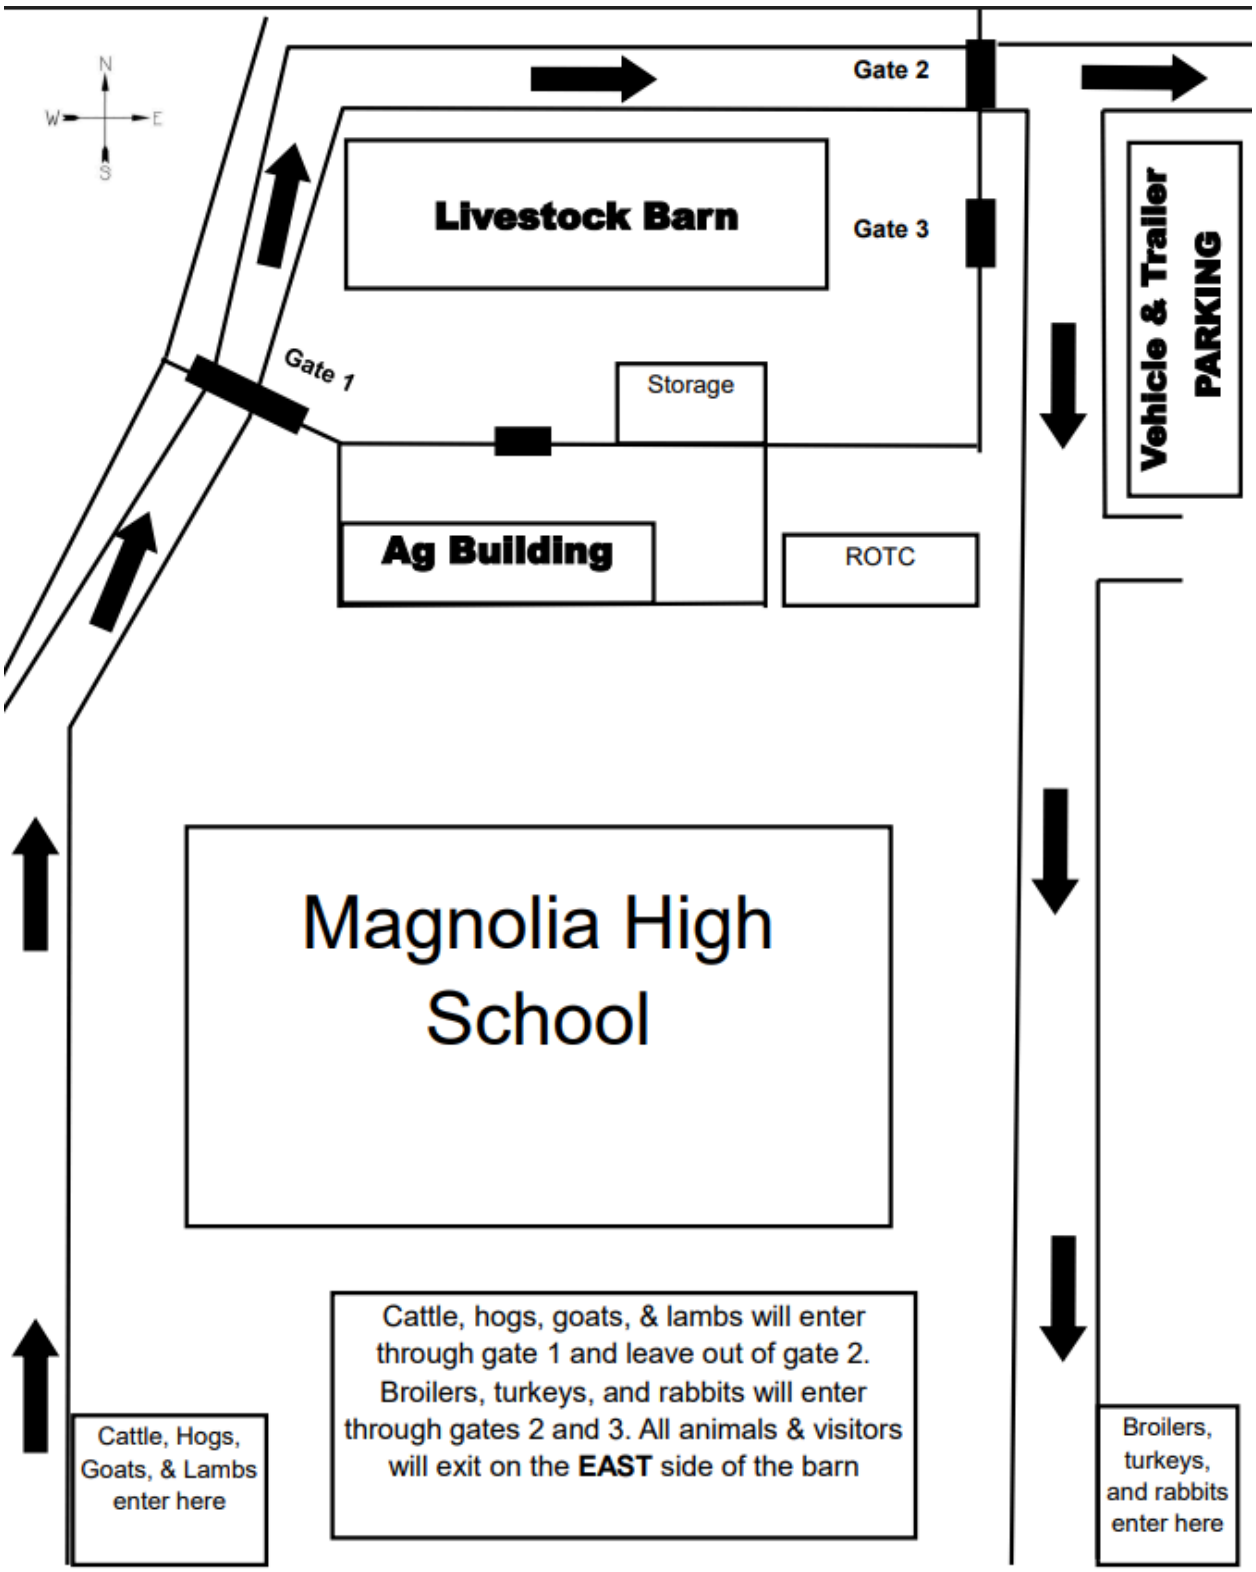

1. Students entered in the market animal divisions may use a Pre-Sale Form to indicate they already have a buyer for their animal, should it go to Post-Sale; these forms can be picked up by exhibitors on the first day of the 2027 - 2028 academic school year from an Agriculture Science Teacher.
2. The Pre-Sale Agreement will become null and void should the animal qualify for the Live Auction.
3. Students must turn in any Pre-Sale forms at time of their designated species check-in to guarantee their buyer's purchase of the animal on Post-Sale; no forms will be accepted beforehand.
4. The MISDLSC shall not be held liable for funds owed to an exhibitor if the buyer fails to fulfill his/her financial obligations.
5. Students and parents are not permitted to ask the buyer for their animal to be donated back to the student.

Post-Sale Rules

2. There is no guarantee that any animal project will be sold in the Post-Sale. Each exhibitor is encouraged to obtain a buyer for his/her animal project prior to the show.
3. Any exhibitor wishing to **NOT** place their animal project in the Post-Sale must notify the show staff by the completion of the Mandatory Sale Order Meeting on Saturday.
4. All Post-Sale will be online via ShoWorks.
5. **Exhibitors will be responsible for periodically checking the Post-Sale board to determine if their projects have been sold and pick up receipt of delivery. It must be picked up by 10:00 p.m. on September 18, 2027. Receipt of delivery must be turned in to receive money.**
6. The books on all animal project sales or add-ons will close on Friday, September 24, 2027, at 3:00 p.m. At this point, all sales are final and the MISDLSC can accept no additional commitments to purchase or add-ons.
7. All market animal projects sold during the Post-Sale will have a 10% commission fee deducted from the total proceeds.
8. The MISDLSC shall not be held liable for funds owed to an exhibitor if the buyer fails to fulfill his/her financial obligations.
9. Any Post-Sale project donated back to the exhibitor may not be resold at the Post-Sale.
10. Each exhibitor will be given a list of their buyer(s) and add on contributor(s) in order to write thank you cards. Thank you notes must be handwritten on formal cards with matching envelopes; no notebook and/or printer paper. These lists will be given to the exhibitor by their agriculture science teacher and/or Magnolia ISD Livestock Show Committee (MISDLSC). If the exhibitor is not a high school or junior high school FFA member, it is the responsibility of the exhibitor to pick up the information sheets. These will be

distributed the Wednesday before the 2027 Magnolia ISD Fall Break, and written thank cards will be due on October 22, 2027, to an agriculture science teacher. Thank you notes should have the district return address (provided), address of the buyer, be unsealed and without postage when submitted to the agriculture science teacher. Failure to turn these in on time will result in a $25 fine per business day that they are late.

11. Students and parents are not permitted to ask the buyer for their animal to be donated back to the student.
12. Steers, hogs, sheep, and goats **may not be removed from the showgrounds until Sunday morning at 8:30 a.m.** Entry onto the property will only be permitted after all processors have departed and the Magnolia ISD Livestock Show Committee (MISDLSC) has given approval to enter. With the exception of sheep and goats sold to the resale trailer by either the buyer or exhibitor.
13. Any animals sold under private treaty must be delivered to the processor/buyer by the exhibitor. The MISDLSC will not be responsible for delivering the animal to the processor unless the MISDLSC has a release form signed by all parties.
