ANOKA-HENNEPIN SCHOOLS

SPECIALTY & MAGNET PROGRAMS

Anoka-Hennepin specialty and magnet programs provide family choice within our district schools. Students may enroll in a specialty program via the in-district transfer process without transportation. Anoka-Hennepin students who enroll in a magnet program through the Northwest Suburban Integration School District (NWSISD) will receive free transportation.

CHECK PROGRAM WEBSITES FOR THE MOST UP-TO-DATE INFORMATION!

ANOKA HIGH SCHOOL

Center for Science, Technology, Engineering, Arts, and Math (STEAM)

STEAM is geared for students who are looking to explore the connections between creativity, technology, and critical problem-solving skills. Classes use the Design Thinking model to thoroughly engage students through project-based learning and peer collaboration, preparing them for future careers. In addition to the required core, students have elective options in engineering & robotics, drawing, dance, video game design, photography, music & so much more!

STEAM Information Night

December 10 6-7 p.m.

BLAINE HIGH SCHOOL

Center for Engineering, Mathematics, and Science (CEMS)

Designed for students who want an integrated and rigorous in-depth focus on math, science, and engineering. Through Project Lead the Way curriculum, CEMS is designed as a pre-engineering program to prepare students for post-secondary engineering programs and careers.

CEMS Tours

November 16 • 3:30-6:30 p.m.

COON RAPIDS HIGH SCHOOL

Center for Biomedical Sciences and Engineering

Designed to expose students to STEM-related careers including those in the medical, engineering, manufacturing, and technology fields. The hands-on, real-world courses actively engage students in their learning through the use of cutting-edge laboratory and engineering techniques, peer collaboration, and opportunities to interact with professionals in the field. Students in our program are inspired by the relevant and engaging curriculum as they develop foundational tools for their future college and career success.

Incoming 9th Grade Registration Night

December 9 • 6:30 p.m.

CRHS Auditorium
