1566	Assistant Superintendent / Skilled Handyman — Luxury Residential Construction	10/8/2026	Full Time	We are a luxury construction management and development firm building high-end homes across Long Island, including oceanfront projects on Dune Road in Westhampton. We're looking for a hands-on, dependable construction professional to work alongside our Superintendents and Project Managers. This is a great opportunity for someone with construction or trade experience who wants to grow into field supervision. What You'll Do: * Assist the Superintendent with day-to-day job-site operations. * Perform carpentry, repairs, punch-list work and general handyman tasks. * Receive, verify and organize material deliveries. * Take field measurements, progress photos and job-site notes. * Check work against plans and help identify issues. * Help prepare for and coordinate upcoming trades. * Keep job sites clean, organized and professional. * Assist with punch lists and project closeout. Specific Experiences/Skills Required Some hands-on construction, carpentry, maintenance or trade experience is preferred. Trade school, BOCES, construction technology or carpentry training is a plus, but not required. We're looking for someone who: * Understands basic residential construction. * Is comfortable using common hand and power tools. * Can read a tape measure and take accurate field measurements. * Has basic familiarity with construction drawings or is eager to learn. * Is reliable, organized and takes initiative. * Communicates well with subcontractors and coworkers. * Is comfortable using a smartphone for photos, email and construction apps. * Takes pride in their work and wants to learn and grow.
