WESTFORD ACADEMY
ATHLETIC HALL OF FAME

INDUCTION CEREMONY
SATURDAY, OCTOBER 24, 2026

LOWELL SUN CHARITIES

Established 1947

Best Wishes to Westford Academy Athletic Hall of Fame!

- Kevin Coughlin, President

Westford Academy Athletic Hall of Fame

Greeting

Welcome! The Westford Academy Athletic Hall of Fame (WAAHoF) Executive Board is pleased you are in our midst this evening. Tonight is the fourteenth induction ceremony! The program this evening is about recognition, as well as celebration of athletic excellence and contribution! Our ceremony includes the induction of six student-athletes, championing their incredible successes at Westford Academy. Also being honored is the very successful 1993 Varsity Football Team; yes Super Bowl Champions. We're also inducting two pioneering coaches and a contributor whose "giving attitude" has benefitted countless student-athletes and coaches.

Although the individual inductees and the 1993 football team are our primary focus, I extend a warm welcome to all guests, families, friends, and teammates of inductees, past inductees, and supporters of Westford Academy athletics. I am certain you will enjoy the food and beverages, as well as the induction ceremony, as we applaud the accomplishments of each new inductee. In our presence are team captains, league champions, school record holders, league Most Valuable Players, state finalists, all-scholastic recipients, and state champions. These high achieving inductees are some of the most accomplished student-athletes, leaders, coaches and contributors that the Westford Academy athletic program has ever produced!

Each induction ceremony we identify an individual, who in the judgement of the Executive Board, demonstrates the highest level of character Westford Academy athletics signifies. The individual we honor tonight is Will O'Neal. His legacy includes much that brings success and good fortune to Westford Academy Athletics. We dedicate tonight's event in the memory of Will and the "can do, will do" approach he displayed at Westford Academy.

Our next induction ceremony is tentatively scheduled for October 2028. Watch the local media and Westford Academy Athletics website for the next slate of inductees and how to purchase tickets for this must-attend event.

Ghosts Forever!!

Kevin Regan, *Chairperson*
Westford Academy Athletic Hall of Fame Executive Board

Westford Academy Athletic Hall of Fame

2026 Inductees

Tonight the Westford Academy Athletic Hall of Fame (WAAHoF) Executive Board is proud to induct the 14th class into the WAAHoF. These six student/athletes, two coaches, one contributor and one team are indicative of the caliber of inductees the WAAHoF Executive Board seeks and selects for induction. Congratulations to each new inductee for this rare accomplishment!

1993 Varsity Football Team

Nich Armienti, Jared Breault, Erik Butler, Bernie Cahill, Mike Cool, Chris Curtis, Ryan Dadmun, Tony DeAntonis, Pete DiStefano, Mike Doherty, Mike Dubosky, Ryan Duffy, Justin Dyer, Jim Ebitson, Alex Emery, Eric Emmanuele (posthumously), Dan Ferguson, Matt Garon, Brian Gibbons, Nate Grachan, B. Griffin, Tom Griffin, Brad Harper, Tom Kane, David Karpinsky, Chris Kinney, Joe Kravetz, Matt Lambert, Kevin Lohrman, Rob Lorenzatto, Ed Mangini, Brent Marchand, Greg Marchand, Mike Matarazzo, Kevin McDonald, Jay Oberman, Dave Pessotti, Roger Plaisted, Dan Poehler, Chaz Pokorski, Mike Pokorski, Chris Queenan, Chris Ricard, Kevin Roach, Brian Ross, Eric Seymour, Jai Shirley, Jon St. Gelais, Dean Sudak, Nick Sudak, Mark Taylor, Jeremy Ward, Greg Weeks, Derrick Werner, Tom Whalen, Robert Williams & Josh Zimmer;
Coaches: Jaime Lameroux, Mike McElhinney, Rick McElhinney, Head Coach John Morris, Mike Parent, & Vin Viglione.

Emily Bramanti, *WA Class of 2018*
Basketball & Softball

Peter Dennechuk, *Coach*

Westford Academy Athletic Hall of Fame

Dedication / Tribute

William R.H. O'Neal

The Westford Academy Athletic Hall of Fame is dedicating tonight's induction ceremony to William O'Neal, an accomplished student-athlete and graduate of the Class of 2016, who tragically passed away in 2024. Will's four years at the Academy not only showcased his inherent kindness and thoughtfulness, but also demonstrated his desire to live life to the fullest.

At Westford Academy, beyond loving to learn, Will was a true "Renaissance Man." He was bold, curious, industrious, and loved to travel. He was an artist at heart and an avid reader. He was a prolific writer who specialized in humanist poetry. He was an Eagle Scout and a lover of adventure and of the outdoors. He had a sense of humor, and he loved to laugh, and made friends everywhere he went. And Will was an athlete too! During his four years at WA, he participated in four different varsity sports: Volleyball, Track, Cross-Country, and Nordic Skiing. Some of his greatest athletic accomplishments happened outdoors, in the winter, and on skis. Will raced for the WA Nordic Ski Team for all four of his years at the Academy. He was voted Team Captain in 2015 and won the Team Sportsmanship Award in 2016. He qualified for the MIAA Championship Races in 2015 and 2016. And when he graduated in 2016, Will's 1,119 career Mass Bay West Points placed him 10th all time for WA Nordic skiers.

Will continued his education at Middlebury College, where he graduated with honors in 2020. At Middlebury Will was able to continue to develop his love of the outdoors and of helping people. He spent countless hours volunteering his time at the school's Organic Farm and as a Nordic Ski instructor where he taught members of the Middlebury community how to cross-country ski. After Middlebury, "Will began a journey that would take him around the world, that would strengthen his connection to others and to nature." A food bank in Idaho, post-grad work at the University of Wisconsin, teaching English to high school students in Spain, and exploring gardening opportunities in New York City were just some of the highlights of this journey. During the last year of his life Will found his happy place in Brooklyn, New York where he worked at Halsted Welles & Associates. Specializing in the design, installation and maintenance of high-end rooftop gardens, Will was able to pursue his passion for horticulture and botany perpetuating his life-long love of gardening, while still providing him time to write, which was another one of his passions and career goals.

Will left a lasting and positive impression on ***everyone*** he met and each person who had the chance to know Will has their own unique story or bit of wisdom or kindness that he provided. He was always true to himself and his beliefs – he was genuine, he was a special person, a really good person. The Westford Academy Athletic Hall of Fame Executive Board joins Will's family in dedicating the 2026 Induction Ceremony to Will O'Neal.

In Loving Memory of Will

No longer by our side, forever in our hearts.

CONGRATULATIONS TO THE WESTFORD ACADEMY ATHLETIC HALL OF FAME INDUCTEES!

JAMES
ARCIERO
STATE REPRESENTATIVE

Elissa (Larrivee) Libby

Class of 1998 - Basketball, Track, Volleyball

Elissa (Larrivee) Libby is a Westford Academy graduate of 1998. Elissa's athletic career stands as a testament to her hard work, determination, and talent. As a three-sport varsity athlete, she distinguished herself as a highly accomplished student-athlete at Westford Academy.

On the basketball court, Elissa was a dominant force. Her senior year game average statistics—15 points, 13 rebounds, 3 assists, and 2 steals per game—showcase her complete game and well-rounded abilities. In her time at WA, Elissa became a member of the elite 1000-point scoring club, a feat few accomplish. Her basketball excellence earned her recognition as a Dual County League All-Star for three consecutive years (1996, 1997, 1998), *Lowell Sun* Basketball All-Star (1997, 1998), and *Boston Herald* All-Scholastic honors in 1998. Perhaps most memorably, she competed at the TD Garden during her team's championship runs in both 1995 and 1998, experiences that few high school athletes ever have.

Her athletic talent extended beyond basketball. As captain of the track and field team, Elissa competed in multiple events, including the 100-meter dash, 200-meter dash, 4x100-meter relay, long jump, and shot put. She was a key part of the team both as an athlete and a leader.

Elissa was also a fierce competitor on the volleyball court. As a member of Westford Academy's inaugural volleyball team, she was a four-year starter who dominated at the net, putting her blocking and hitting skills on display every game. Her quickness and ability to read the court allowed her to outplay her opponent in every match.

Elissa's outstanding achievements did not go unnoticed. She was recognized with five MVP honors throughout her junior and senior years. Her senior year, she was honored with both the Senior Athlete Award and the Senior Female Athlete Award, highlighting her overall athletic talent and range.

After high school, Elissa went on to play basketball at Clark University in Worcester, continuing her athletic career at the collegiate level. Today, in addition to working full-time as the site quality head at Lantheus, she still finds time to keep athletics in her life as an administrator for the Nashoba Youth Basketball League. Elissa lives in Bolton, Massachusetts with her husband, Jesse, and their four children: Jackson, Ella, Mason, and Eva.

Her contributions to her teams are an outstanding example for current and future Westford Academy student-athletes. As a twelve-season varsity athlete, Elissa has proven herself to be very worthy of the Hall of Fame honor. Congratulations, Elissa!

Congratulations to all the 2026 Westford Academy Athletic Hall of Fame Inductees

Emily Bramanti

Class of 2018 - Basketball & Softball

Emily Bramanti was a standout basketball and softball player at Westford Academy whose talent, focus, effort and desire to win pushed both herself and her teammates to great successes.

In softball, Bramanti was a four-year starter on teams that won back-to back Dual County League titles. Her diving catch in the second inning and game winning hit in the seventh inning against Chelmsford helped take the team to the 2015 Division 1 North Sectional final.

Bramanti did her greatest work on the basketball court, where she was a 3-time DCL All-Star, a 2-time DCL Champion, and led teams to a 2017 D1 Central Sectional Championship and a 2018 D1 Central Sectional Finalist. A four-year starter as a combo point and shooting guard, her teams continually challenged the elite teams in the state. Her teams won five holiday tournaments, highlighted by winning the prestigious Comcast Tournament in 2018, where the team beat both eventual state champion Braintree and a 19-0 Belmont High team, resulting in Bramanti being named the tournament's Most Valuable Player.

Bramanti excelled further at Stonehill College; as a two-year captain and a three-year starter, she scored over 1,000 points. In 2019-20, she and her team won the NE-10 and made the NCAA tournament. In Stonehill's inaugural NCAA Division 1 season, her outstanding performance earned her Northeast Conference All-Conference First Team honors.

While It is easy to judge the incredible success of Emily Bramanti's career by the accolades and accomplishments of her four years at Westford Academy, her greatness comes from two details not found in game statistics. First, she is a relentless competitor. Her will to win and desire to push herself and her teammates to triumph was unmatched. After her sophomore year, dissatisfied with her own performance as a basketball player, she decided to improve herself. She entered her junior season faster, stronger and better in every way, literally turning herself from a slightly above-average high school basketball player into one of the best guards in the state. Second, she loves and knows basketball more than any player or coach that has been through Westford.

From her early years as a precocious point guard to her current position at Stonehill as Women's Basketball Assistant Coach, Emily has gathered skills and knowledge of the game beyond measure. We will have to update her list of accomplishments over the next decade as she continues her coaching career.

1993 Football Team

Super Bowl Champions

Which Westford Academy Super Bowl-winning team is the best of all time? The 1993 team makes a very strong case to capture that honor.

This team was coached by three-time Super Bowl winning coach John Morris, a current member of the Westford Academy Athletic Hall of Fame and the Massachusetts State Coaches Hall of Fame. The 1993 team achieved a historic milestone by winning the Massachusetts Division 3B Super Bowl Championship.

The Ghosts concluded a 10-1 season with a thrilling hard-fought overtime victory against Eastern Massachusetts powerhouse Winthrop, winning 28-21. WA fell behind early but staged a second half rally behind the running of captains Dave Pessotti and Jeremy Ward. Tied after regulation, Jeremy Ward burst around the right side behind the blocking of linemen Matt Garon, Chris Ricard, Rob Lorenzatto, Ryan Dadmun, Derrick Werner, tight end Mike Dubosky and fullback Chris Queenan to put WA in the lead. With pressure on the quarterback from defensive end and captain Greg Marchand and his younger brother linebacker Brent Marchand, the Ghosts secured the Super Bowl victory when Jeremy Ward intercepted Winthrop's fourth down pass.

Although it was only Westford's second season in Eastern Mass., the Ghosts handled the regular season with ease. Victories over Northampton and Wayland enabled the Ghosts to be 2-0 heading into the Lincoln-Sudbury game, a perennial league power and defending Dual County League champs. A thrilling 18-11 victory, fueled by the running of Justin Dyer and Jeremy Ward, as well as the blocking of fullback and captain Tom Kane, enabled the Ghosts to upset L-S and start the season 3-0. Linebacker Nate Grachan and defensive end Mike Dubosky also excelled defensively. Victories over Malden Catholic, Boston Latin, Concord-Carlisle, Newton South, Bedford and Hudson gave the Ghosts a 9-0 record heading into Thanksgiving. The lone blemish, a Thanksgiving loss to Acton-Boxboro, was a wake-up call heading to the Super Bowl. During the 1993 season, the Ghosts outscored their opponents 279-127. Although this team put winning ahead of personal statistics, several athletes received individual recognition. Dave Pessotti, Chris Ricard, Derrick Werner, Jeremy Ward, Greg Marchand, Chris Queenan and Tom Kane were DCL All-Stars. Dave Pessotti was also the DCL MVP. The Lowell Sun All-Stars included Pessotti, Ward and Ricard. Ward and Pessotti were also named to the Herald All-Scholastic team and Pessotti was named to the Globe All-Scholastic team.

The team's high-powered offense and stingy defense brought excitement and zest to the Westford Academy student body and the community of Westford. Congratulations to the 1993 Football Team for your induction into the Westford Academy Athletic Hall of Fame. Your team has left a significant mark in Westford Academy football history.

Gwen Donovan

Coach: Girls Swimming & Boys Swimming

Coach Gwen Donovan is the person most responsible for establishing the Boys' and Girls' Swimming teams at Westford Academy. Specifically, Donovan sought to create a high school swim program "... to provide Westford Academy swimmers who work out 5 to 7 days a week the opportunity to exhibit success among their peers..." In the fall of 1981, Donovan's dream of creating a girls swim team for Westford Academy was realized. From the start, the program faced many challenges: there was a lack of money; the new team was 100% self-funded; there was no pool in town; and, there was no league for the team to compete in. Despite this, the team finished in the top ten at Sectionals during their first two seasons. By the third season they were routinely finishing in the top three in the Merrimack Valley Conference, North Sectionals, and States, cementing the new WA team as one of the top swimming programs in Massachusetts.

In the midst of this success, Donovan was working tirelessly behind the scenes to bring a boys' team to WA. Again, with little support, she maneuvered to bring five Westford club swimmers to the 1985-1986 North Sectional and State races where they finished 3rd and 5th respectively. A year later, now with the support of School Committee, the WA Boys' Swim team officially began. Similar to the girls, the boys' team enjoyed early success under Donovan's leadership, as they consistently finished in the top three of the MVC, the top five at Sectionals, and the top ten at States. The ultimate honor came in 1987 when the *Lowell Sun* recognized Donovan as "the Coach of the Year."

After the 1990-1991 season, Donovan retired from coaching. In her ten years at WA Donovan teams finished in the top three in the MVC eight different times; top five finishes at Sectionals seven different times; and top five finishes at States six different times. Additionally, she had at least ten swimmers win individual state titles. Her impact on the sport of swimming locally and on the athletic program at WA cannot be overstated. Simply put, she is the person most responsible for creating the Boys' and Girls' Westford Academy Swimming teams. A program that would go on to serve more than a thousand WA student athletes, winners of more than two dozen state titles, and place more than a half dozen swimmers into the WA Athletic Hall of Fame.

Congratulations to the 2026 Westford Academy Athletic Hall of Fame Inductees

Coach Mike Parent

Coach Ed Scollan

Jay Drapeau

Class of 2014 - Ice Hockey & Lacrosse

Jay Drapeau was a decorated two-sport athlete at Westford Academy, earning induction into the Athletic Hall of Fame on the strength of an extraordinary career in both lacrosse and ice hockey.

In lacrosse, Jay stands alone at the top of the record books. He graduated in 2014 as the all-time leading scorer in Westford Academy lacrosse history, amassing 445 career points, a total that ranked fifth in all of Massachusetts high school lacrosse history at the time of his graduation. Over four varsity seasons, he tallied 302 goals and 143 assists, setting the single-season school record as a senior with 142 points on 86 goals and 56 assists. Prior, he had a dominant junior season, amassing 106 points, a sophomore year of 122 points, and a freshman season of 75 points

He was a three-time Eastern Massachusetts All-American (2012, 2013, 2014) and earned Dual County League All-Star recognition all three years. He was a three-time *Boston Herald* All-Scholastic Team honoree, a two-time Boston Globe All-Scholastic honoree, and earned ESPN Boston All-State First Team honors in both 2013 and 2014. He was named the *Lowell Sun* Player of the Year in those same seasons, while also being selected to the Under Armour Underclass All-American New England Team in 2013. He served as team captain in his senior year, a reflection of the character and leadership he brought to every practice and game.

On the ice, Jay was equally impactful. He is one of only six players since 1990 to score over 100 career points for the

Ghosts, finishing with 112, while earning DCL All-Star honors three times. He served as team captain in both his junior and senior seasons, while earning two-time *Lowell Sun* All-Star accolades.

After Westford Academy, Jay took his talents to Loyola University, where he was named to the Patriot League All-Stars and earned Second Team USILA All-American recognition. In 2018, he set the Loyola school record for goals by a midfielder, a remarkable achievement at a national lacrosse powerhouse.

Jay Drapeau exemplified what it means to be a Ghost. He was talented, tireless, and a true team player. His remarkable legacy at Westford Academy is one that will stand for generations.

James "Jim" Geraghty

Contributor

Jim Geraghty's legacy to Westford Academy athletics is built on family, service, generosity, and an unwavering belief in helping others. His connection to Westford Academy began as a proud father, with all four of his children becoming student-athletes: Annie '07, who played field hockey and lacrosse; Jimmy '08, who competed in soccer, baseball, and hockey; Kelly '12, who played field hockey and lacrosse; and Beth '17, who also played field hockey and lacrosse. Before long, Jim's role expanded from parent and fan to coach, advocate, fundraiser, and one of Westford Academy's most generous supporters.

In 2008, Jim chaired the fundraising group responsible for the two fields at the Nutting Road project, helping advance opportunities for Westford's young athletes. He also served as President of Friends of Lacrosse and coached recreation teams for both his sons and daughters. His support continued with a major contribution to the Westford Academy Turf Project and countless other athletic programs.

Jim has always believed that supporting students means making sure everyone has an opportunity to participate. His generosity extended to the annual Senior Class Trip to Disney, where he provided financial assistance to students who otherwise might not have been able to attend. As a former Westford Academy Principal recalls, "Jim would seek him out to ask how he could financially support students in need." "Never a question." Jim simply wanted to help.

His commitment to athletics also included five years as a volunteer Westford Academy Baseball Coach alongside Head Coach Mike Parent. He helped players develop their baseball skills while also mentoring them and offering advice about careers and entering the business world. In 2021, Jim began coaching Westford Academy girls' Ice Hockey. He donated funds to renovate the team's locker room, provided new matching helmets for the players, and matched donations for community-service initiatives, including breast cancer awareness fundraisers.

When Stony Brook Middle School needed a girls soccer coach, Jim's response was simply, "What can I do to help?" He has funded motivational speakers for students and student-athletes, quietly assisted families with financial needs, supported countless teams, advocated for Westford Academy athletics, and funded the Mike Parent Press Box Dedication Night, including the sign and ceremony.

Jim's generosity reflects his own journey. Raised in the projects of Peabody, Massachusetts, he learned early the value of perseverance and remembering those who need a helping hand. As Jim Antonelli said, "He has never forgotten his roots." Mike Parent describes Jim simply: "He puts others' needs ahead of his own."

For Jim Geraghty, being part of Westford Academy athletics has never been about recognition. It has always been about people. His greatest contribution is the lasting example he has set: show up, give back, and always look for a way to help.

WESTFORD ACADEMY ALUMNI ASSOCIATION

Julie (Shelvey) Lee

Class of 1993- Basketball

Julie (Shelvey) Lee was a force on the basketball court during her four-year varsity career from 1989 to 1993. As a three-year starter and team captain, she demonstrated exceptional skill, leadership, and competitive drive, all while bringing out the best in everyone around her.

Julie's accomplishments set her apart from other competitors. She scored over 1,400 career points while recording 640 career assists and 400 career rebounds. Her ability to score and dominate the boards made her a matchup nightmare for opponents throughout the Mid-Wach League, where, in 1993, she earned recognition as the league's leading scorer. Julie was instrumental in taking her teams to the Division 1 State Semi-Finals her junior year, and the Division 2 State Finals in her senior year at WA.

Julie's dominance on the court was recognized by the league and the state. During her high school career, Julie was named *Lowell Sun* Player of the Week all four years and earned *Lowell Sun* All-Star honors as a sophomore, junior, and senior. Her senior year, she was selected as a *Boston Herald* All-Scholastic and *Boston Globe* All-Scholastic, as well. Julie also earned Dual County League MVP honors, competed as a Bay State Games athlete, and was selected to the AAU All-Star Team.

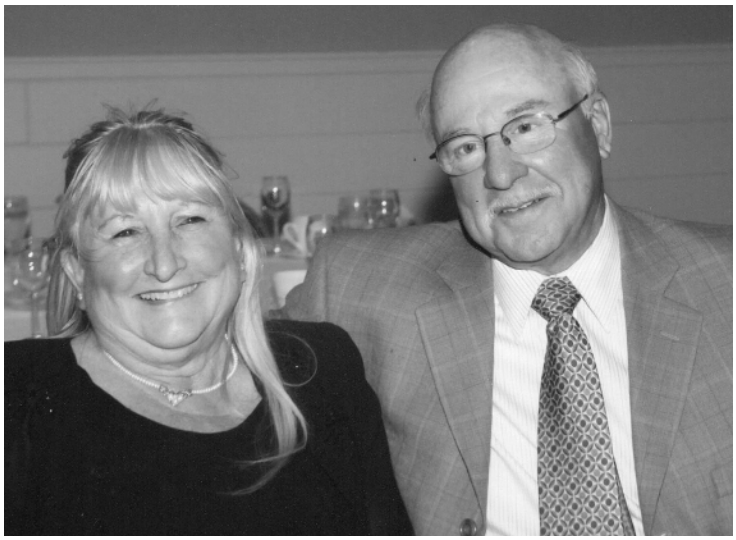

Coach Al Duffett captures Julie's performance perfectly: "She was the toughest player on the court despite not being the biggest. She was a wizard with the ball. She was an elite passer, a clutch shooter, and a tenacious rebounder. Julie's teammates respected her and worked hard to earn her respect! Fans of high school basketball would attend to watch her play. She is a Hall of Famer!"

After Westford Academy, Julie went on to play at Brandeis University, where she continued to succeed. As a freshman, she became Brandeis's first-ever Rookie of the Year while simultaneously earning First Team All-Star honors, a remarkable achievement for her first year on the college court.

Today, Julie lives in Berlin, MA with her husband, Richard, and their four children: Brendan, Dylan, Caelan, and Addison. She has remained connected to the sport by coaching middle school, travel, and recreational boys' and girls' basketball. Professionally, she has worked in school systems, as a fitness trainer, has served as Recreation Committee chair, and was an Athletic Director. Currently, Julie teaches 5th grade in Worcester.

Julie's induction into the Athletic Hall of Fame recognizes her outstanding achievements on the court and her impact on Westford Academy's basketball program. Congratulations, Julie!

Congratulations to all the 2026 Inductees to the Westford Academy Athletic Hall of Fame!

Pam and Geoff Hall

Lori (Quattrini) Sullivan

Class of 1984 - Field Hockey, Gymnastics & Tennis

Lori (Quattrini) Sullivan was a dedicated student-athlete at Westford Academy whose accomplishments on the field and court, as in the gym, and throughout her life, exemplify the commitment, determination, and love of teamwork celebrated by the Westford Academy Athletic Hall of Fame. Lori is being honored as a Yesteryear student athlete, recognizing a remarkable athletic career that began at Westford Academy and continued for more than four decades.

A three-sport athlete in field hockey, gymnastics and tennis, Lori was named captain of her field hockey and gymnastics teams during her senior year, 1983–1984. Her field hockey career was highlighted by a Central Mass quarterfinal appearance in 1981, a Wachusett League Championship in 1982, and an outstanding 1983 season that saw Westford capture the Central Mass Division 1 Championship and advance to the State semifinals. Lori earned *Lowell Sun* Second Team All-Star honors and was named *Lowell Sun* Star of the Week twice.

Lori also competed in tennis, helping her team reach the 1982 District Finals and win the 1983 Wachusett League Championship. Her accomplishments earned her Lowell Sun All-Star honorable mention recognition in 1983.

Following Westford Academy, Lori continued her field hockey career during her freshman year at Southeastern Massachusetts University, now UMass Dartmouth. Although personal reasons led her to leave the team, athletics remained an important part of her life.

As a mother, Lori was determined to share her love of sports with her two daughters. She learned to play soccer as an adult so she could coach her girls in town soccer and also coached them in basketball. For Lori, coaching was about more than teaching skills—it was about helping her children discover the joy of competition, teamwork, and being part of something bigger than themselves.

Learning soccer opened new doors, eventually leading Lori to play for one of the best Eastern Massachusetts women's soccer teams. She spent several years playing alongside some of the most talented and inspiring women she had ever met, until a serious concussion ended her soccer career.

Never one to stay on the sidelines, Lori turned to CrossFit. She now competes in the CrossFit Open, a worldwide competition organized by age group. In her 60–64 age division, she advanced to the Quarterfinals and ultimately finished as the 46th fittest woman in the world in her age group—a personal milestone she considers her "last hurrah," achieved by giving everything she had.

From Westford Academy to the present day, Lori Sullivan has remained an athlete, coach, teammate, and role model. Her lifelong commitment to fitness, health, perseverance, and teamwork is a legacy she proudly continues to share with her daughters and everyone fortunate enough to compete alongside her.

Michael "Mike" Ewers

Class of 1997 - Soccer & Basketball

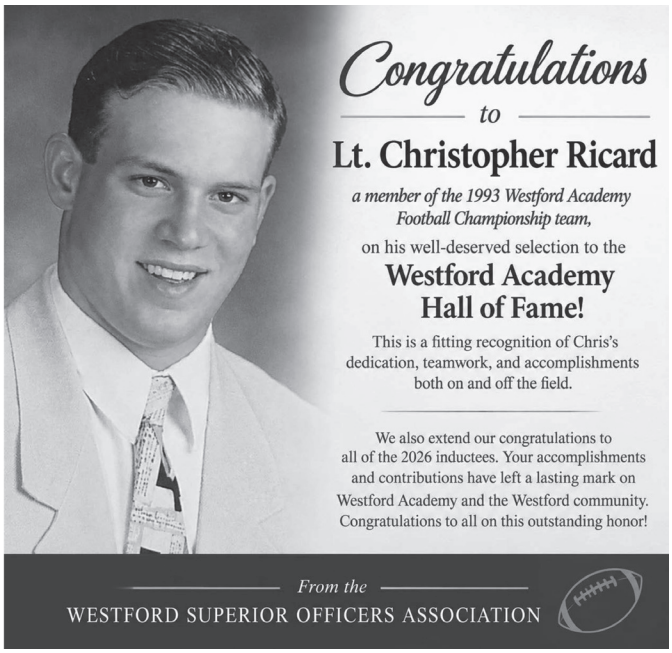

Mike Ewers was a 6'8" Goalkeeper whose physical frame was outsized only by his smile, his heart, and his passion for *living* life. Between the pipes, Mike's career was unmatched and undeniable. A three-year varsity starter, he amassed a 45-7-10 record with 33 shutouts; a career .60 goals against average, with an astounding .38 G.A.A. in his junior year where he led the team to their second consecutive Dual County League Championship. He was *twice* named the Dual County League Player of the Year and three times named to the DCL All-Star Team. After graduating from Westford Academy, he attended Columbia University where he remains the fifth all-time leader in Single Season Save Percentage and the sixth all-time leader in Single Season Saves.

Off the pitch, Mike was an adventurer and an outdoorsman. He loved fly-fishing and hiking. He played beach volleyball and raced mountain bikes. Mike loved to compete but, remarkably, from a very young age, he knew that his most important challenger was the man in the mirror. He always wanted to be the best version of himself, both as an athlete and person. Numbers didn't matter to him. Trophies and titles didn't matter to him. Fame definitely didn't matter to him. He had several opportunities to play in the M.L.S. including a contract offer from the Tampa Bay Mutiny, but stardom wasn't in his definition of a 'well-lived life.'

Mike was fiercely loved and admired by everyone who knew him. His presence alone was a welcomed gift. He brought laughter, joy, and a compelling confidence onto the playing surfaces that he shared and into the lives of others. Anecdotally, he bought a Mazda Miata as a young man but he couldn't drive it with the convertible roof on because he was too tall. Even with the roof down, his line of sight was, almost comically, *above* the windshield. Others grew conditioned to hope, for his sake and others, that our New England weather cooperated. Lucky for others, Mike always brought the sun.

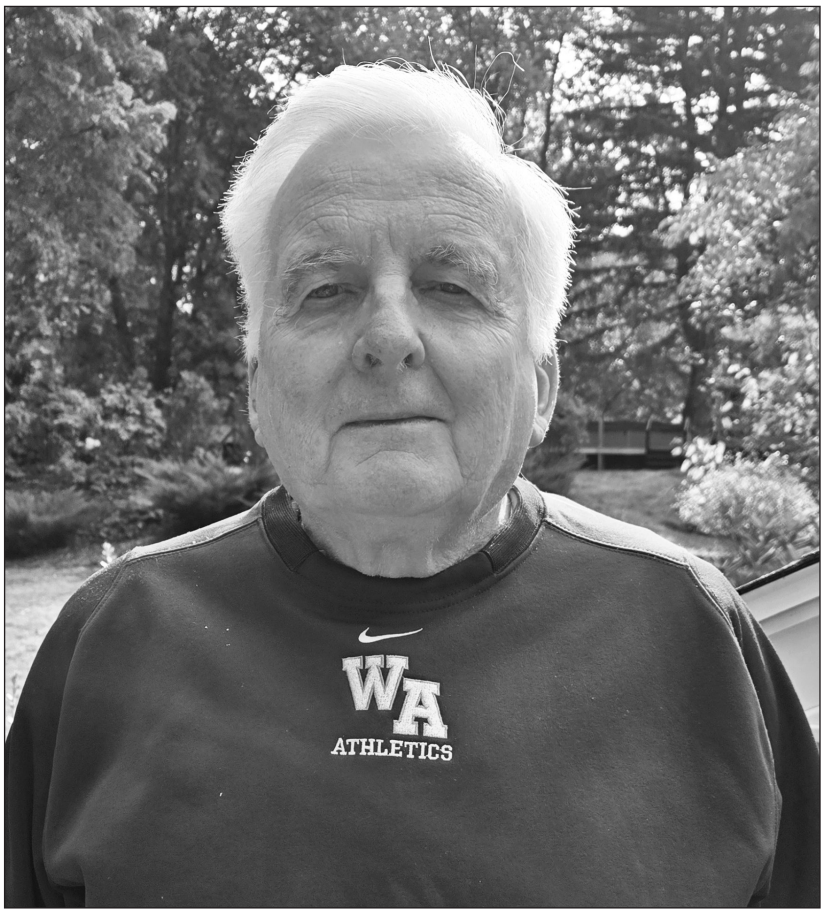

Mike is the beloved son of Bill and Paula Ewers. He and his siblings, Bill and Erika, grew up on Flagg Road in Westford, MA. After moving to the West Coast, Mike built a life and a family in Chico, California with his wife Makena and their three children Fletcher, Renata and Jaden. At a Celebration of his Life on February 21st in Chico, Makena honored Mike by sharing:

"He was loved by everyone who met him. Of all the chapters in his life, being a partner and Dad was the most challenging for him and the most important to him. That's the Mike I knew best."

Peter Dennechuk

Coach: Cross Country, Indoor Track & Outdoor Track

In the early 1990s Westford initiated a cross country program at the Blanchard Middle School. Soon after the interscholastic program commenced Peter Dennechuk grabbed the coaching reins and sprinkled his "magic dust" turning cross-country into a popular and tremendously successful sport for middle school student-athletes. When the Stony Brook Middle School opened and offered cross country, Coach D. coached that program for several years; resulting in Westford Academy reaping the benefits of his coaching commitment.

Peter was a driving force with the creation of a cross-country course for middle schoolers through the then East Boston Camps (E.B.C.) in Westford. Coach D. also created a three-mile course at E.B.C. The feedback from Dual County League coaches was, "the course was challenging, yet a trek that exemplified the intent of the sport."

In 1997 Peter became one of the outdoor Assistant Track Coaches at Westford Academy. Coach D. assumed coaching responsibility with the distance runners. Yet, it was his priority to know and nurture all team members. His encouragement and knowledge were instrumental in enhancing their athletic skills.

Coach D. also assisted the indoor track team and cross-country teams at Westford Academy as a volunteer coach. Due to budgetary limitations there was only one coach provided per team. Recognizing the need for additional coaching support, he donated his time and uncommon expertise. Peter's direct involvement was a significant reason for the success of these teams.

In the early 2000's Peter transitioned to Head Coach of both the Westford Academy indoor and outdoor girls' track teams. After many years with winless seasons, Coach D. instilled a work ethic that gleaned incredible results. In 2008 the Westford Academy girls captured the Division 2 Indoor Track championship, the first championship since the program began during the 1991-1992 school year. When Peter retired after the 2018 indoor season nearly all of the girls' and boys' indoor track records belonged to runners under his coaching guidance.

His outdoor track teams experienced successes such as league titles, individual league, state and New England champion status.

Although his student-athletes and team achievements are more meaningful to him than his coaching accomplishments, Coach D. was honored as *Lowell Sun* Coach of the Year (2008-2009) and *Boston Globe* Coach of the Year (2008-2009).

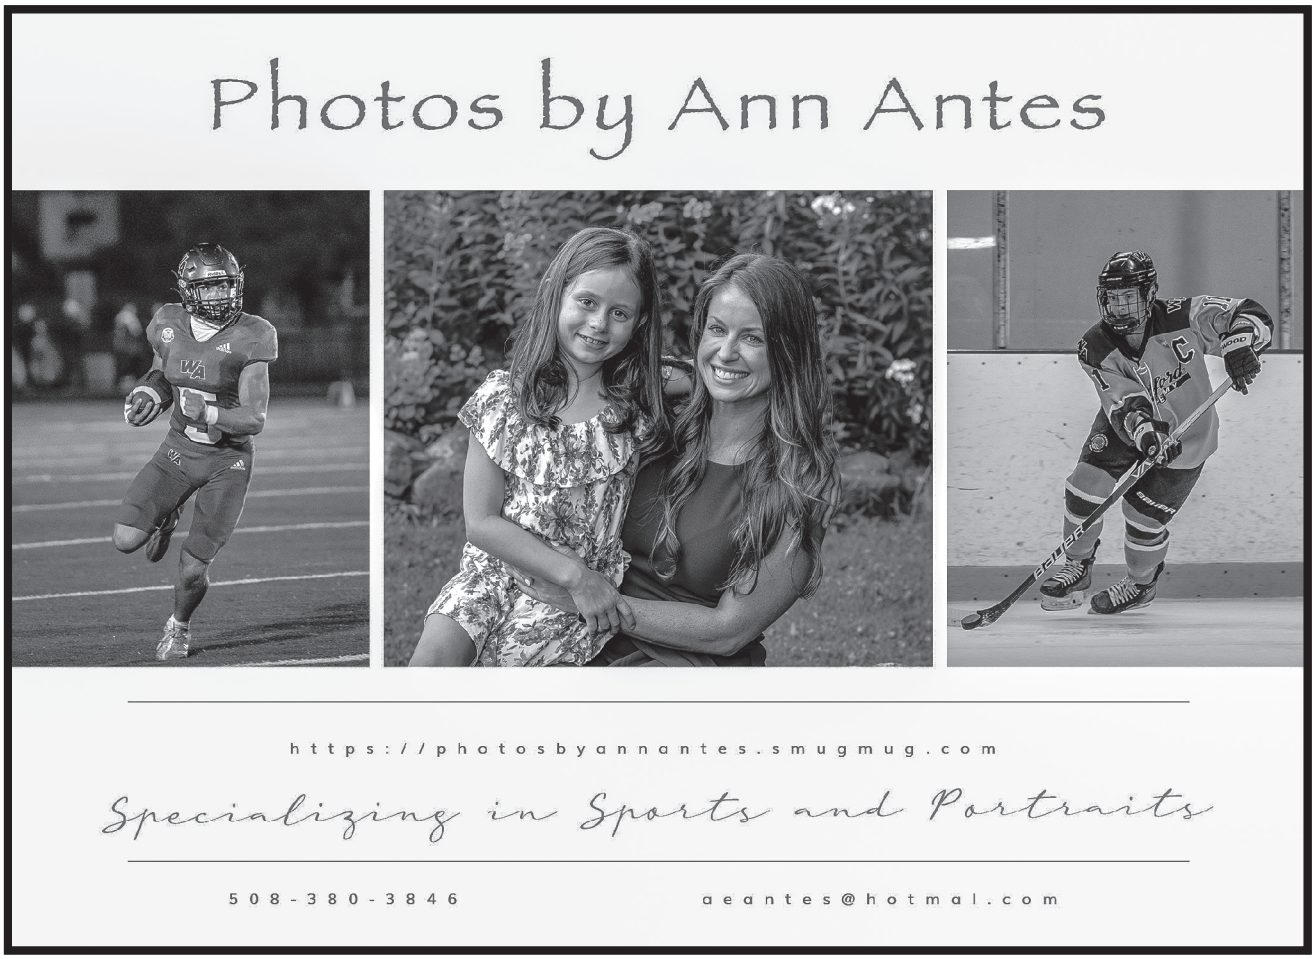

Peter is a 1969 Westford Academy graduate. Retired from the Westford Fire Department, he resides in Westford with his bride Linda. He's also the proud father of two daughters, Sarah and Kate (Ghost tracksters, of course!). Peter is a current member of the Westford Academy Athletic Hall of Fame Executive Board.

Leroy "Roy" Pindara

Student-Athlete Contributor Scholarship Recipients

Annually the Westford Academy Athletic Hall of Fame (WAAHoF) identifies Westford Academy students or student-athletes who exhibit superior contribution and commitment to one or more interscholastic teams while enrolled at Westford Academy. This recognition commenced in 2014 and was referred to as the WA student-athletes Contributor Scholarship. In 2017 the name of the scholarship changed to the Leroy "Roy" Pindara student-athletes Scholarship. This action was approved by the WAAHoF Executive Board as a tribute to Roy for his tenure as a skilled teacher, coach, and committed WAAHoF Executive Board member. *The following are past recipients of these scholarships:*

2014: Alexandra Clark – Gymnastics
2015: Bradley Jones – Soccer
2016: Ryan Delaney – Football & Lacrosse
2017: Blake Mazzaferro – Baseball
2018: Steven Okuhara – Football, Ice Hockey & Baseball
2019: Tyler Guillemette – Ice Hockey and Baseball
2020: Aidan Timlin – Ice Hockey & Lacrosse
2021: Meghan Mulhern – Ice Hockey & Softball
2022: Sam Cioffi – Ice Hockey & Lacrosse
2023: Ruby Krikorian – Soccer & Swimming
2024: Will Tarbox – Ice Hockey
2025: Nathan LoConte – Ice Hockey
2026: Ilamaaran Tamizharasan – Football & Ice Hockey

Westford Academy Athletic Hall of Fame

About the Organization

The Westford Academy Athletic Hall of Fame (WAAHoF) Executive Board is governed with by-laws that guide the organization's mission, procedures, and decision-making. Our purpose is to serve as a conduit between the Westford Academy athletic program and the Westford community. We embrace all nominations received as potential inductees. Each nomination is reviewed, discussed, researched, and voted upon.

You are encouraged to nominate a Westford Academy student-athlete, coach, team, or contributor, who displayed excellence at WA. Don't think you need to have all the statistics and details about what made the respective nominee so successful. Once the Executive Board receives a nomination, it will remain active in subsequent years, therefore it eliminates the need for re-nomination. To access a digitized nomination form, click the WA Hall of Fame link on the Westford Academy Athletics website.

The expenses the WAAHoF incurs include: Pindara Scholarships, induction booklet set-up and printing, ceremony food and beverage costs, function venue rental, awards, banquet decorations, banquet support staff, inductee hats, and banquet photographer and photographs. If you want to sponsor the WAAHoF, you can send a check payable to: WAAHoF, at: WAAHoF P.O. Box 926, Westford, MA 01886. Your generosity is greatly appreciated!

In May 2015 our organization started the tradition of recognizing a WA student who contributes to the WA Athletic program in selfless fashion. This recognition, referred to as the Roy Pindara Student-Athlete Contributor Scholarship, is granted to an individual who achieved success, in ways other than superior athletic achievement, on the field, mat, course, court, pitch, ice or track. Scholarships are distributed to deserving WA seniors annually each spring.

Be sure to review the very informative WAAHoF website which is linked to the Westford Academy "Athletics" link. Thank you to Executive Board member and Webmaster Ed Scollan for his efforts to keep the website current. Don't miss this thorough history of the WAAHoF!

After tonight the next WAAHoF "public appearance" will be a table at the annual Westford Academy Holiday Bazaar on Saturday 12/5/26. Stop by and chat about WA Athletics and who you think should be nominated for the WAAHoF!

Westford Academy Athletic Hall of Fame

2026 Executive Board

The Westford Academy Athletic Hall of Fame (WAAHoF) has existed since 2001. The ongoing work by these productive volunteers is made possible due to their focus on providing a superior induction ceremony alternating years, that inducts highly accomplished student-athletes, dedicated contributors, committed coaches and superior teams. The organization thrives due to the work executed by the Executive Board. The Board is currently comprised of the following members:

Kurt Andjus
Jim Antonelli
Chris Carpenter
Andrea Chambers
Peter Dennechuk
Jesslyn (Deveny) McNamar
Danielle Mendonca
Betsy Murphy
Janet Keirstead, Secretary/Clerk
Andy Norander
Kaitlin (Conley) O'Riorden
Mike Parent, Treasurer
Kevin Regan, Chairperson
Ed Scollan
