

Weekend Update

All the happenings at The Meadows for the week ahead.

NOVEMBER 8, 2026

I have 3 things to share:

Number 1: Student-Led Conference Reminder

The week of November 16-20 is the week we have set aside for **Student-Led Conferences**. We have set a school-wide WIG (Wildly Important Goal) for 80% participation for conferences. In the past, we have had about 70% of families participate in conferences, and this year, we think at least 80% of families will attend to support their child as he or she leads the conference. Teachers are flexible about times and days. If transportation is a problem, we can try a phone conference. Let's get creative so that *every student can have a chance to tell you, their parent/guardian about their learning goals and achievements*.

Number 2: Book Fair eWallet Option

The Book Fair is just days away! The Fair encourages students to read AND raises much-needed funds for our school. The easiest way for kids to shop the Fair is by creating and funding your child's eWallet. No more worrying about cash, and their balances show right on the register. Number 3: November Tiger Talk

If you didn't get a chance to read the November Tiger Talk or if you DID read it, but wanted to go back and revisit something, **HERE** is a link to the post. Occasionally, we update an article in it or add something such as the soccer schedule. So, check it out for the first time or give it a second look.

Enjoy your week!
