All diapering and changing procedures are conducted in designated areas in accordance with state licensing regulations. Staff follow strict sanitation practices, including handwashing and disinfecting procedures. Only Little Leaders staff will be involved in the diapering process.

DIAPERING SUPPLIES

Parents/guardians are responsible for providing the following, ensuring all items are labeled with the child's first and last name.

- Diapers
- Wipes
- Diaper ointment as needed
- 2-3 changes of clothing
- Supplies should be provided weekly and replenished as needed to ensure your child's daily care needs are met.

CLOTHING REQUIREMENTS

Due to frequent spills and toileting accidents, children must have multiple changes of clothing available daily. All items should be clearly labeled with the first and last name of the child.

DAILY REST:

The children will participate in a daily rest period. While children are not required to sleep, they will be expected to rest.
Families need to provide:

- Learning experiences focus on:
    - Language development and early communication
    - Building early math skills through play and hands-on activities
    - Social-emotional growth
    - Exploration through play and hands-on activities
    - Building independence and routines

TUITION AND PAYMENT PROCEDURES

Our tuition is billed monthly, with the total annual tuition due divided by the number of months in the school year. For example, there are 10 months per school year, and we distribute costs evenly over 10 months, creating 10 equal payments no matter how many days are in a given month, including days off. These include December, March, and October, which include longer school breaks.

Here's a brief breakdown:

1. **Total Annual Tuition**: This is the full cost for your child's preschool year.
2. **Divided by School Months:** The total tuition is divided by 10 school months.
3. **Monthly Billing:** The result is billed monthly over 10 months, providing a consistent, equal payment schedule.

Monthly payments and all other fees are due on or before the 1st day of the month of service. A late fee of $35.00 will be assessed for payments received after the 5th of the month. All late fees will be assessed immediately on the 6th of the month and due on the 10th, along with tuition. Other fees may include late tuition payment, late pickup, lunch, apparel, and field trip fees. Failure to pay all fees and tuition before 3 pm on the 10th day of the month may result in disenrollment or withdrawal of the student from the Little Leaders program. To be eligible to reapply, the account must be current, will be subject to the waitlist, and to a new registration fee. Preschool offerings, costs, and eligibility are subject to change at any time.

ACCEPTABLE FORMS OF PAYMENT:

- Checks - Please make checks payable to American Leadership Academy and mail them to your campus, or give the check to the front office staff at your campus. Checks must be in a sealed envelope, and a receipt will be given
- Cash - Please provide payment directly to the front office staff and verify receipt by signing the payment log.
- Online payments through Infinite Campus (major credit and debit cards accepted)

RETURNED PAYMENTS

Non-Sufficient Funds (NSF), returned online payments, or returned checks will be charged a $35 fee per payment returned. You may be required to provide cash, cashier's check or money order for future payment transactions.

REFUND POLICY: Tuition for students who begin the program after the first instructional day of the month will be prorated based on the child's official start date. Prorated tuition will be calculated using the program's established daily tuition rate and the number of scheduled attendance days remaining in the month. Proration applies only to a student's initial month of enrollment and does not apply to absences, illness, vacations, school breaks, or early withdrawal. If withdrawal is a campus decision, paid tuition will be refunded for the days not attended during the month of withdrawal.

PRESCHOOL AND PRE-KINDERGARTEN CURRICULUM

The curriculum is developmental and academic in nature. Although there are universal and predictable sequences in a child's growth and development, each child moves through this development at their own rate. Little Leaders lessons are aligned to the Arizona Early Learning Standards and connected to the Core Knowledge Sequence.

The curriculum resources build early literacy and mathematical foundational skills. It addresses all areas of a child's development, including language, literacy, and communication; social and emotional development; mathematics; science and technology; social studies; physical development and health; fine arts; and approaches to learning.

WHAT YOUR CHILD WILL NEED

Before your child's first day of school, parents will receive information about the requirements for his/her class, in general all students need to have the following supplies

- Regular-sized backpack with first and last name on it.
- Lunch box (if eating lunch at school) with first and last name on it.
- Water bottle with first and last name on it.
- A complete change of clothes (in a zip-sealed bag) in their backpack at all times with first and last name on it.
- Full Day Three-Year-Old Students: A blanket and fitted crib sheet to be used for cover at naptime to be sent home for washing each Friday.

Accommodation requests must be resubmitted each school year.*

STAFF PERSONNEL

Designated, qualified staff members, including, but not limited to, the Health Aide, Nurse, Administrative Staff, Teacher's Assistants, Substitute Teachers, and Specials Teachers, may assist the Little Leaders classrooms and students with day-to-day duties.

DISCIPLINE AND GUIDANCE

The Little Leaders discipline plan reflects the Little Leaders R.A.I.S.E. values (Respect, Accountability, Integrity, Service, and Excellence.) In addition to our values, we use positive discipline to create an environment conducive to learning. Staff facilitates the development of self-control in children by designing classroom environments that emphasize routine and consistency. Staff uses positive guidance techniques such as modeling, natural consequences, encouraging expected behavior, redirecting children to a more acceptable activity, direct teaching of appropriate behavior, positive redirection, setting clear limits, and instruction in problem-solving skills. Staff help children foster respect for self, others, and property. Children are taught to develop skills to help them make appropriate choices and resolve conflicts. Although our program promotes positive reinforcement and redirection, harmful behaviors are not tolerated. Students who repeatedly display physical or verbal aggression toward other classmates or staff members may be disenrolled from the program.

Little Leaders emphasizes the importance of working as a team with parents/guardians to help students become successful in their early learning environment and will involve parents/guardians as needed throughout the positive guidance process. Parents should follow the same R.A.I.S.E values when interacting with staff to promote a positive example when working in an educational environment.

SUSPENSION AND EXPULSION POLICIES

At Little Leaders Preschool, our goal is to make school a safe, positive, and supportive place for every child. We believe that young children learn best when they know what is expected of them and when they are guided with positivity, patience, consistency, and care.

We teach and practice simple, clear expectations in the classroom every day. Teachers use positive guidance, redirection, and encouragement to help children build social and emotional skills. If a child is having difficulty, we work closely with families to create a plan of support.

We believe suspension or expulsion should only be considered in rare situations and only after other strategies have been tried.

Proactive Strategies:

- Partner with families to understand a child's needs and create solutions together.
- Provide extra support and teaching to help children manage their emotions and behaviors.

- Use a variety of strategies and routines to help each child feel successful.

Our commitment is to help every child thrive. Suspension or expulsion is used as a last resort, and only after we have exhausted all other strategies. If this step ever becomes necessary, parents will be fully involved in the process and given the opportunity to meet with staff to discuss next steps and supports.

SPECIAL NEEDS

Our goal at Little Leaders is to serve as many families and students as possible, including students of all abilities. Our preschool program, however, does not offer special education services to our students, though these services may be available when they move into the public charter program, which begins in Kindergarten. If your preschool child requires special education services, we encourage you to work through other local providers, which may include a local district school to ensure your student accesses the services they need.

HOLIDAYS/SCHEDULE CHANGES

Little Leaders Preschool and Pre-Kindergarten classrooms observe all holidays in accordance with the ALA calendar.

DAILY SIGNING IN AND OUT

Students must be signed in and out by a parent, guardian, or another adult specified and approved by the parent or guardian written on the student's Emergency Card. Written permission for pickup by a designated individual must be provided prior to the time of pickup. Designated emergency contacts must present a government-issued photo ID each time a student is checked in or out. As each campus is different, please check and follow your specific campus's drop-off/pick-up procedures. An adult must escort Little Leaders to the designated check-in/check-out area. The elementary school drop off/pick up car line may not be available for preschool-aged students. Little Leaders must be escorted to the designated check in/out area by an adult. At this time, we do not offer before and after-school child care services. If your child needs to leave campus at any time, they must be signed out by a parent or guardian. Acceptable signatures include your full name or first initial and full last name. Failure to complete licensing documents correctly may result in a fine.

HEALTH INFORMATION

HAND WASHING

Hand washing is a part of the daily routine in the preschool setting. It not only helps children to remain healthy, but it also promotes a healthy lifestyle. At a minimum, children wash their hands when they enter every day, after using the restroom, and before and after eating a meal or snack.

IMMUNIZATIONS

Parents of children entering the preschool program will need to provide verifiable documentation of immunizations required by law. At time of registration, the registrar will require a copy of your child's immunizations. Your child cannot start at the school until immunizations are on file. When your child has updated immunizations, please provide those to the registrar. Any immunizations received after school starts will need to be shared with the health aide. If you need help in determining if your child requires immunizations, please contact the school health aide. According to the Arizona Department of Health Services Child Care Licensing, the only exemptions allowed for preschool children are for medical or religious reasons. If your child requires an exemption for either of those reasons, please let the school know so you can fill out the appropriate form.

Per A.R.S. §15-871 and A.A.C. §R9-6-701-708, before a child may attend the Little Leaders program, their parent/legal guardian must provide the child's immunization record to school staff. The immunization record is typically given to parents/legal guardians by their doctor or clinic, and must

show the date each required vaccine dose was received as well as the signature or stamp of the health care provider.

Acceptable forms of immunization records to enter school include:

- A copy of the Arizona Lifetime Immunization Record.
- A copy of the vaccine administration record from the health care provider.
- A computer-generated immunization record from the Arizona State Immunization Information System (ASIIS) or from an immunization registry of another state.
- A signed and dated Arizona School Immunization Record -ASIR109R form completed by a school the child has attended (a copy is acceptable).
- An immunization record generated by a school's immunization software system, as long as the school name, school address, school contact person, child's name, child's date of birth, and child's immunization dates are included.
- A signed and dated immunization record or school/child care immunization record from another state.

LITTLE LEADERS IMMUNIZATION REQUIREMENTS

Authorized school personnel must review each child's immunization record(s) prior to the time of enrollment. Children must obtain required immunization(s) or sign a medical or religious exemption form prior to attending school, or they may be excluded until (s)he is compliant with the requirements. If a child requires more than one dose of a specific type of vaccine, the child may continue to attend school during the minimum interval between doses. In the event of an outbreak of a vaccine-preventable disease, children who are exempt may be excluded from school until the risk period of exposure ends. Please provide proof of completion of these immunizations to your campus health office as soon as possible.

ILLNESS

If a child becomes sick during the day, the staff will separate the child and give them a place to rest until the child can be picked up. The school staff will call the parents/guardians to pick up the child. If no one can be reached, the staff will call the other authorized persons listed on the emergency card until someone is reached. It is expected that the child will be picked up immediately. If no authorized contacts can be reached in a timely manner, the school may contact emergency services or local law enforcement for assistance.

MEDICATIONS

Little Leaders does not give any routine medications. Little Leaders can administer rescue EPI-PENS and/or inhalers. Parents will bring the medication with the original box, which includes the prescription label for these medications. Parents/guardians will fill out the medication authorization form, which will be kept with the medication. If these emergency medications are used, parents will be contacted immediately, and the dosage will be recorded. If the student is having difficulty breathing or epinephrine is administered, EMS will be called, and the student may be transported to the nearest hospital. Little Leaders staff shall not transport injured or ill students for medical treatment. If your child needs medication throughout the school day, parents/guardians can come to school to give that medication to their child.

EMERGENCY PROCEDURES

Minor injury: Children will receive basic first aid treatment at school, and an email or written notification will be sent to the parents/guardians.
