THE SCHOOL & COMMUNITY

Roosevelt High School, located twenty minutes north of downtown Portland, is nestled in the neighborhood of St. Johns. It was built in 1910 and was named James John High School in honor of the founder of the settlement. It opened in 1911 and the first graduating class had four students. James John High School closed in 1921, and its replacement, Roosevelt High School, opened the following year.

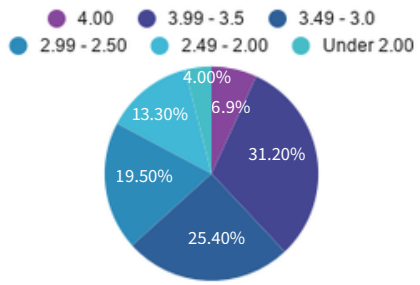

Today our student body has approximately 1350 students. The campus was newly renovated in 2018 increasing our enrollment. Roosevelt is one of the most ethnically diverse high schools in the state of Oregon and we communicate to our school families in 31 languages. In an increasingly global economy, Roosevelt students are a step ahead in their exposure to multiple perspectives and cultures. The school's diversity fosters a culture of inquiry and inclusivity. Roosevelt's students are also supported by the thriving and vibrant St. Johns community with committed educators and high expectations for all students.

Class Rank/Grading Calculations (GPA)

The GPA, computed at the end of the sixth semester, includes all subjects in which as student has received a letter grade. The transcript reflects a standard and weighted GPA/Rank. Weighted GPA is calculated by adding one point for each AP course completed. If a student repeats a course (R), the GPA on the transcript is reflective of the higher grade earned.

In allignment with district policy, Roosevelt no longer reports class rank.

*NG, WX, I, P, and NP designations are not calculated in the cumulative GPA.

**Students receiving a WF elected to drop the course after the first 3 weeks of the semester. WF designations are calculated in the cumulative GPA.

SPANISH LANGUAGE ARTS

Over the past 23 years Roosevelt High School has developed a rigorous program of study for students to develop their academic Spanish skills with the goal to ultimately prepare them for upper division college Spanish coursework. The program serves students who are either native Spanish speakers or come from a Spanish immersion program. The courses develop the students' reading, writing, and oral fluency through Spanish Language Arts classes similar to the in-depth study of English in Language Arts classes. Freshmen and sophomores take introductory level Spanish Language Arts courses, and juniors and seniors take AP Spanish Language & Culture and AP Spanish Literature & Culture courses, which expands their academic skills to college level and beyond. Students consistently pass the two Spanish AP exams, with 100% passing with a 3 or higher in AP Spanish Language, and 93% in AP Spanish Literature in 2026.
