Nutri-Serving It Up At

EASTAMPTON COMMUNITY SCHOOL

FALLing in LOVE with School Lunch!
Who says school lunch is what it used to be?! We're serving up fresh flavors, student favorites, and a little taste of nostalgia!
This month students got to try our Baked Honey Cinnamon Pears — a sweet taste of fall that had everyone saying, "YUM!"
Who can resist a Walking Taco? A lunch favorite that's always ready to take a stroll right into happy bellies!
And sometimes you just can't beat the classics! We brought back a little old-school comfort with Grilled Cheese and Tomato Soup — the perfect cozy combo for those crisp fall days!
And BIG news from our cafeteria! We were lucky enough to get a CHUTE to help keep our à la carte items warm and ready to go. Let's just say it's been a HUGE hit because we can barely keep it stocked!
From fall-inspired flavors to classic comfort food, we're proving that school lunch is anything but ordinary!

A LOOK AHEAD TO

November

November is Good Nutrition Month and Native American Indian Heritage Month!

November's Nutritious Friend is "Quirky Quinoa!"

November is Good Nutrition Month, a great time to focus on the importance of balanced, nourishing meals! It is also the month where we take time to honor and celebrate the rich cultures, traditions, histories, and contributions of Native American peoples.
