There will be a Parent-Student Informational Meeting on Monday, October 26 at 6:00 PM in the school cafeteria. Come out to meet the coach, get information regarding the upcoming winter season schedule, and review physical evaluation requirements. Both students and at least one parent or guardian are highly encouraged to attend. We look forward to seeing you there! Dive in and make a splash this season!

- This week is bus and teen driving safety week. It is important to stay safe on the roads, and keep away from distractions. When a bus is stopped, make sure you do not go around them. You need to stay patient and wait for the clear to start driving again. Driving as a teenager is a freedom, but also a risk. Make sure you are wearing your seatbelts and paying attention. 51% of teen drivers who died is 2024 were not wearing seatbelts. When you are not being a safe and respectful driver, you are not only putting your own life at risk, but you are also putting others into a dangerous position. Stay Safe on the roads!

- Anyone interested in joining the Environmental Club, stop by Mr. Jackson's room (179) to sign up. No fee to be in the Environmental Club.

- Anyone interested in participating in this year's Bridge Building Competition, stop by Mr. Jackson's room to pick up a registration form. $30 per team of three—Includes bridge supplies, pizza and drink.
