CURRICULUM
Starting in the 2021-22 school year, El Camino transitioned to a 4X4 Block Schedule from Traditional Schedule. All seniors at El Camino Fundamental must complete 280 units of study. Students have an option to take college courses only if they have completed the highest level offered in that specific course area, the course is not offered at our site, or the student has an impacted schedule.

A total of eighteen Advanced Placement (AP) and 9 Honors courses are offered. El Camino is authorized by the College Board as an AP Capstone high school.

El Camino Fundamental offers weighted grading for all designated Honors and AP courses. Both weighted and un-weighted cumulative GPA is listed on each student's transcript. Below lists the highest level of courses in each department:

GRADING SYSTEM
El Camino does not rank its students per district policy.
GPA: Classes are graded on a four-point scale (A=4, B=3, C=2, D=1). For Honors and AP courses, one point is added (A=5, B=4, etc.). Weighted and unweighted grade point averages are reported on the transcript. If a course is repeated, the higher grade is calculated into the GPA.

AVID
The Advancement via Individual Determination (AVID) program was founded on the belief that acceleration, academic challenge, and support were the basic principles for helping students succeed academically. Students are enrolled in an AVID elective class, take advanced classes with curriculum and tutorial support, and focus on qualifying for four-year college and university admissions.

Career Technical Education
Career Technical Education (CTE) Pathways are an opportunity for students to take classes that combine academics, industry knowledge, and hands-on learning that prepares them with 21st century skills for college readiness and the workforce.

Five CTE Programs are offered on our campus:
Boradcasting & Video Production
Eagle Polytechnic Institue (EPI)
Medical Careers
Manufacturing Metals
Professional Theatre

Eagle Polytechnic Institute
Eagle Polytechnic Institute (EPI) is a three-year California partnership academy, which begins in the sophomore year. EPI strives to integrate Manufacturing and Prototyping skills such as Engineering Design Based Thinking into the core subjects. EPI students will not only be college and career ready but will graduate with a skill set suited for any career path they choose.

El Camino Fundamental is accredited by the Western Association of Schools and Colleges (WASC)
