November 6, 2026

Dear Parents and Guardians,

At Williamston Community Schools, we are dedicated to providing an equitable, high-quality education that supports the unique academic needs of every student. As part of our commitment to transparency and state compliance, we are writing to share how our district utilizes state funding to support our students, specifically through Section 22b of the Michigan State School Aid Act.

1. **Funding Allocation Overview**

For the 2026-2027 school year, our district received specific weighted funding allocations targeted to support Economically Disadvantaged students and English Learners.

- **Total Section 22b Allocation Received:** $822,961.76
  - Economically Disadvantaged - $813,700.00
  - English Language Learners - $9,261.76
- **Administrative Expenditures:** $16,459.24

2. **How Funds Are Distributed and Used**

We distribute these funds across our schools to support targeted, data-driven academic support. The breakdown of fund distribution is as follows:

- **Discovery Elementary:** $193,391.62
- **Explorer Elementary:** $212,885.11
- **Williamston Middle School:** $193,457.74
- **Williamston High School:** $223,227.29

3. **Evidence-Based Interventions Implemented**

To ensure these funds directly impact student achievement, Michigan law requires that Section 22b dollars fund only evidence-based interventions. This year, our district has deployed the following programs:

- 95% Group, PAIR, Sound Partners, Equipped for Reading Success, Phonics for Reading, Corrective Reading, 6 Minute Solution, Fastbridge Fluency/ Comprehension, Quick Reads, and Bookworks Differentiated Instruction**:** Focused on Tier 2 and Tier 3 reading interventions for grades K-5.
- Delta Math and ALEKS: Focused on Tier 2 and 3 math intervention for grades K-5.
- Easy CBD and STARS**:** Focused on ELA intervention at the Middle School.
- ALEKS and Spring Math: Focused on math intervention at the Middle School
- English Language (EL) Academic Coach: Focused on dedicated language acquisition support within core content classrooms K-12.

4. How to Request Services for Your Child

If you believe your child would benefit from any of the academic interventions or support services funded through Section 22b, or if you would like more information on qualification criteria, please contact your school's principal.

Discovery Elementary: (517) 655-7504
Explorer Elementary: (517) 655-2174
Williamston Middle School: (517) 655-4668
Williamston High School: (517) 655-2142

Thank you for your continued partnership in your child's education.
