Kennedy Catholic High School Class Reunion Guidelines

Updated 9/10/2026

Reunions provide a time for you and your classmates to gather and celebrate your time at Kennedy Catholic. Class reunions are planned and hosted by individual classes, with support from the Kennedy Catholic Alumni Office.

Kennedy Catholic's Alumni office can:

- Provide a class list to connect with your fellow classmates
- Nametags for your event
- Promote your class reunion on the Kennedy Catholic alumni webpage
- Provide inspiration for off-campus locations

Tips and Tricks for Reconnecting a Class:

- Personal outreach to your contacts - Facebook Groups or Instagram Pages
- Establish an RSVP page for your reunion – Partiful, Eventbrite, Evite, or Facebook Event
- Collect class information AND share with the Alumni Office – Google or Microsoft Forms are great! *
- Find a large central location to meet – contact the Alumni office for Alumni Owned Business Recommendations
- Form a reunion committee
- Collect Yearbooks, Photos, Life-Update Slideshow
- Send in event photos, stories, and ideas the Alumni Office after your event via this form: https://www.kennedyhs.org/fs/form-manager/view/197ab3a5-8093-4ffe-8ee5-ef18c853bfdf

*Alumni support and involvement make your reunion a success! You can support your class reunion by encouraging high attendance from your classmates, collecting updated contact information, helping locate "lost alumni," or participating as class reunion committee member and helping plan your class reunion.
