November 8, 2026

DOLPHIN NEWS

This month, our school focus is on Gratitude. Expressing appreciation and counting our blessings helps us grow as learners and community members. Students can practice showing gratitude by:

- Being Respectful: Showing gratitude means honoring the efforts of classmates and teachers by saying "thank you," treating others with kindness, and valuing our shared school space.
- Being Responsible: Demonstrating appreciation for our school materials, environment, and opportunities by taking care of our belongings and completing our daily responsibilities.
- Being Safe: Expressing gratitude by looking out for one another, encouraging positive play on the playground, and helping keep our classrooms and hallways safe for everyone.

We are gearing up for the annual Christmas Parade on Saturday, December 5th and we want UES to be well represented! Throughout the month of November, staff members will be looking for students who are being safe, respectful, and responsible around the school. Every student recognized will receive an invitation to represent UES in the Christmas Parade!

Attendance matters every day! High attendance helps our students build strong routines and stay connected with their learning community. The classroom with the highest overall attendance for November will win an exciting Turkey Trot Scooter Relay Race at the end of the month! Make sure to arrive on time and ready to learn each day. A big congratulations to Ms. Chapin's and Ms. Hensley's classrooms for achieving the best overall attendance this week. Keep up the fantastic work!

Please have your student check the Lost and Found for missing jackets, lunchboxes, and water bottles. All unclaimed items will be donated on Friday, November 20th.

Important Dates:
11/11 No School
11/12 Interims
11/25-11/27 No School
