KINDNESS THROUGH GIVING

Tuesday, November 10

All Henry County schools are equipped with a **Kindness Locker** (founded up by the Raise Me Up Foundation) where the most needed school supplies, as well as basic necessities (toiletries, clothes, food, drinks) are made available for students and teachers in need.

For Kindness Week this year, we are asking our school community to donate Kindness Locker items that will stay in their school for students that may come to school without some of those basic needs. Please consider donating to your school, and make a difference in your community. Any donation is appreciated.

SEVENTH GRADE

Other items needed for the Kindness Locker Include: New School Supplies Like Colored Pencils, Binders, Pens, and Notebooks, Shelf-Stable Snacks Like Granola Bars, Pretzels, Juice Boxes and Pop Tarts, and Hygiene Items Like Toothpaste, Toothbrushes, and New Packs of Underwear.

All items donated will remain at this school to be used for students here that may need these items. If you have any additional questions, please reach out to your Mental Health and Wellness Facilitator.
