MCCTC Hannah Mullins Practical Nursing Program
Addendum:
Learning Enhancement/Student Retention Policy

The addition of a criterion for provisional enrollment:

A student will be considered "at risk" if he/she meets one or more of the below criteria. The "at risk" student will be **required to participate in the learning enhancement to remain in the nursing program.** The "at risk" status will be reevaluated at the end of each quarter to determine the need for continuation in Learning Enhancement. Reevaluation can also occur at any time at the discretion of the Associate Director of Nursing.

- A returning student while in the quarter being repeated
- Has an individual course average that drops below 78%
- Has agreed to a provisional learning plan as a condition of enrollment based on pre-entrance exam scores
