Character Focus: Gratitude

Setting Up for Success in Third Grade

Coats/Jackets

Please make sure your child has a coat or jacket to wear outside as the weather turns colder. We want them to be able to get outside for fresh air and play as much as possible. Natural consequences: No coat = cold at recess.

Smart Watches at School

Per the student handbook, smart watches should not be brought to school. If a watch *looks like a smart-watch*, staff have been asked by administration to have students put it in their backpack and ask them not to wear it to school. If students are becoming *distracted by "fit-bits" or plain watches*, teachers will ask students to remove them and put it in their backpacks. If you would like any clarification, please reach out to the office or click here to download the student handbook from the TCA Website.

Favorite books:

Do you remember what your favorite book or book series was when you were 8 or 9 years old? Share the memories with your child. Maybe even share the book with them. Read it together; talk about what parts were your favorites. **Passing on the love of reading a good book is so important!**
