CAREER TECHNOLOGY CENTER
OF LACKAWANNA COUNTY

CTCLC NAMED
PENNSYLVANIA BLUE RIBBON SCHOOL 2026

November 9, 2026

We have an expression here that's been around for years: #CTCPROUD. It's a feeling shared by our faculty, staff, and students, past and present. This week, it means more than ever.

The Career Technology Center of Lackawanna County has been named one of just 12 schools recognized as a 2026 Pennsylvania Blue Ribbon School, and we're proud to share that CTCLC is the FIRST career and technical center in Pennsylvania to ever receive this distinction!

This honor recognizes academic achievement and growth, a strong school culture, and a commitment to helping every student succeed. We didn't apply for this recognition. We were selected, and that makes it even more special.

Thank you to our incredible faculty and staff, whose hard work and belief in our students make achievements like this possible. To our students, thank you for bringing your talent, determination, and dreams through our doors every day. And to our families, member districts, and community partners, thank you for being part of our success.

For those of us who know and love this school, there has always been so much to be proud of. Now all of Pennsylvania knows it too.

We've always been #CTCPROUD. This week, we're bursting with it! 💙

Karla Carlucci, Ed.D.
Executive Director
Career Technology Center of Lackawanna County
