Share your voice: Family survey on after school activities

The Cherry Creek Schools Foundation is exploring whether financial help for afterschool and summer activities would be useful to middle school families. Before deciding anything, they want to hear from families like yours: what your child enjoys, what gets in the way, and what would help. The survey takes about 10 minutes, is anonymous, and is available in eight languages. Families who finish can enter a drawing for one of two $60 King Soopers gift cards at our school. Please respond by November 20.

Wellfest is back! 🎉💯

Our Mental Health Department is excited to host our *second districtwide* Wellfest on **Saturday, November 14, from 10:00 AM–2:00 PM at Smoky Hill High School!**

Following the success of our inaugural event this past March, we are looking forward to bringing our community together again for a day centered on *connection*, *creativity*, *wellness*, and *access* to meaningful *resources*. We invite you to help us make this year's ***Wellfest*** an engaging and welcoming experience for students and caregivers across our district!

💥 **What's Happening at Wellfest?**

There will be something for everyone! Students and caregivers can explore a variety of opportunities to learn, connect, create, and recharge, including:

- **Entertainment**: SpoCo, Smoky Hill High School's improv team, kicks off our day at 10am with a performance!
- **Interactive Workshops for Middle & High School Students** including sessions for Zumba, breathwork, yoga, slam poetry, sound bath, games, video games, cooking classes, and more!
- **Activities for all** including a video game truck, therapy dogs, open games, and arts & crafts.
- **Free Lunch!** Around noon
- **Resource Fair** with community organizations, mental health services, resources, dental screenings with KIND, Medicaid signup, STRIDE clinic
- **Parent Workshops**: Topics include substance abuse prevention, healthy body image, digital wellness and more
- **SECOR** food truck from 1-2 pm

For more information and to register, visit the WELLFEST WEBSITE.

🎩 **Why Wellfest Matters**

Wellness is not one-size-fits-all, and every student and family deserves opportunities to feel supported, connected, and empowered. ***Wellfest*** brings mental health education, practical wellness tools, and community resources together in an inviting, accessible environment where families can explore what works best for them.

🤝**Together** we can help reduce stigma, strengthen connections, increase awareness, and make accessing support a more welcoming experience for everyone.

🖤 **How You Can Help Make an Impact**💯

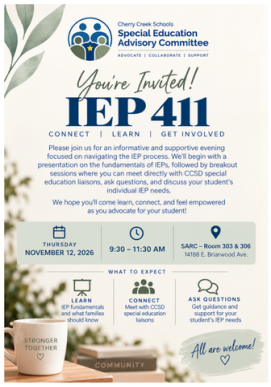

While Wellfest is a districtwide event, **your student leadership** can help make sure the **students** and **caregivers** in your school community *know they are invited and belong here*. We encourage you to share this opportunity with your staff, students, and families through your school communication channels, newsletters, and other outreach opportunities.

Let's work together to *turn awareness into* ***participation*** and ensure our families know that wellness is a shared priority. Every connection made, and every resource discovered has the potential to make a meaningful difference. We look forward to seeing our school communities come together at ***Wellfest***!
