Degan Elementary
Parent Engagement Policy
2026 - 2027

Statement of Purpose

Degan Elementary is dedicated to providing a quality education for every student in our school through campus-wide parent involvement. To accomplish this objective, Degan personnel continually develop and maintain partnerships with parents and community members. Parents involved in the education of their children contribute greatly to student achievement and academic success by reinforcing their children's commitment to education.

Campus Responsibilities

Degan continually builds partnerships with parents and campus staff to improve and support student academic achievement. We strive to ensure that all parents know that we value their voice and will always be ready to engage with our families. If you reach out to us, we are happy to respond. Additionally, the following list details parent involvement opportunities provided by Degan Elementary that parents will be informed about. These opportunities will happen at a variety of days/times in order to engage different stakeholders. All parents are invited to attend.

School/Parent Partnership Compact

Parents of students at Degan receive Degan's School Compact to enable the school personnel and parents to share responsibility for student performance and success. The compact explains how students, parents, and staff share responsibility for promoting student achievement. Members of the Building Leadership Team provide input in the design and implementation of the compact.

Parent Involvement is essential in each child's educational process. Degan personnel partner with families to ensure each child's success in mastering the state and national standards.
