FULTON COUNTY

DUAL ENROLLMENT CONTRACT 2025-2026

Georgia's Dual Enrollment Program allows students enrolled at a participating eligible public high school to take college courses while in high school. Through Dual Enrollment students can take college courses for credit towards both high school graduation and college.

Interested students must:

- Become familiar with the dual enrollment regulations outlined by HB444,
- Understand the dual enrollment process for the state, college, Fulton County Schools, and the local high school,
- Meet admissions requirements and must be accepted to an eligible post-secondary institution,
- Meet all local school, district, and college deadlines,
- Complete and agree to the terms found in this contract.

Dual Enrollment

Dual Enrollment provides high school students the opportunity to take college courses while in high school. All courses taken through Dual Enrollment are part of the student's high school schedule and transcript.

Traditional Dual Enrollment

Students taking college courses through traditional Dual Enrollment will earn credit towards both high school graduation and college. Students are required to earn 23 credits and are required to take specific graduation required courses set by the state.

Accelerated Career Diploma

Dual Enrollment Accelerated Career Diploma in Georgia allows high school students to earn technical college credentials in specific career fields while still in high school. Students can simultaneously earn a high school diploma (requires only 9 high school credits) and an Associate, Diploma or two Technical Certificates of Credit in a specific career pathway.
View Detailed Accelerated Career Diploma Requirements

Joint Enrollment

Students may supplement and enhance their high school curriculum by enrolling in college courses as a joint enrollment student. Courses taken through joint enrollment result in college credit only. College courses taken through Joint Enrollment are not part of the student's high school schedule or records. Students are responsible for tuition, books, course-related fees, and all mandatory fees.

Reminders

- All state funded and/or self-pay Dual Enrollment courses are placed on the student's high school schedule and transcript.
