ATTENDANCE BOUNDARIES

November 9, 2026

2027-2028 School Year

Northwest Independent School District

ADJUSTING ATTENDANCE BOUNDARIES

Guiding Growth Strategies

- Prevent Campus Overcrowding
  - Unsafe environment with too many students/staff in a building
  - Creates overcrowded classrooms that could negatively impact the learning environment
- Maintain Student/Teacher Ratios
- Minimize Future Boundary Changes and its Impact on Students
- Improve Efficiency of Schools
- Consider the Opening of New Campuses

Our goal is to establish a boundary that best balances student enrollment, campus capacity, future growth, transportation, and the long-term needs of our students and community.

NEW HIGH SCHOOL ATTENDANCE BOUNDARIES

COMMITTEE RECOMMENDATION

Committee New Boundary Recommendation

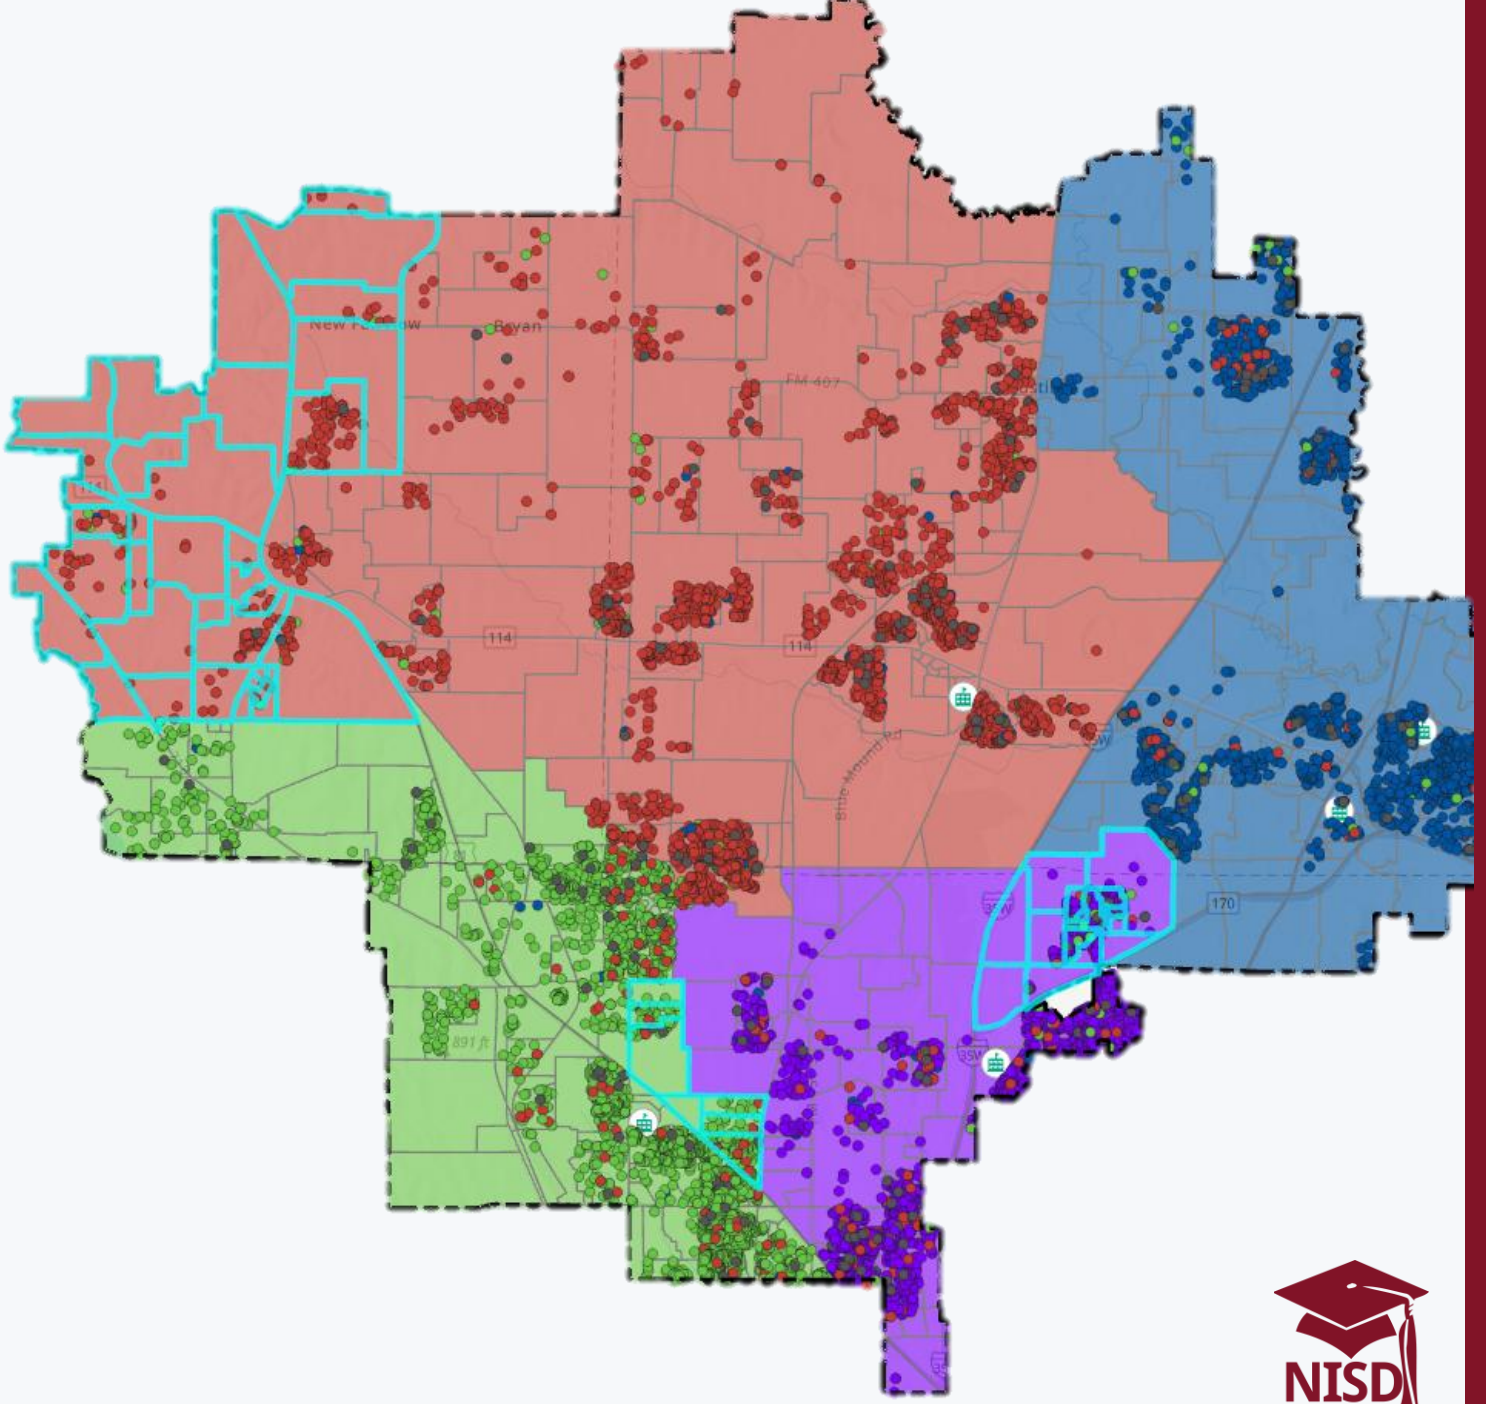

Committee New Boundary Recommendation

Davis High School:
Adding the portion of the Hughes Elementary School attendance zone north of S.H. 170 to Davis High School. These communities were previously recommended to be retained at Byron Nelson High School. As a result, all the Hughes Elementary School attendance zone is proposed to feed into Davis High School.

Eaton High School:
Retaining the following three communities currently zoned for Eaton High School: Bridgeview, Spring Ranch and Lonesome Dove. These communities were previously recommended to be zoned for Davis High School.

Northwest High School:
Retaining all communities north of Seven Hills Road in the Seven Hills Elementary School attendance zone currently zoned for Northwest High School. These communities were previously recommended to be zoned for Eaton High School.

ATTENDANCE BOUNDARY RECOMMENDATIONS

STUDENTS REZONED TO A NEW HIGH SCHOOL

Rising Freshmen & Sophomores rezoned to Davis High School may remain at their current high school if they:

- Are enrolled in an **academy** at their current high school
- Are attending under a **staff transfer**
- Have a **rising junior sibling** who will remain at the current high school

Sibling Exception:

- Eligible students may remain through **high school graduation**, provided they maintain **good attendance and behavior**
- **No district transportation** will be provided for students choosing to remain
- **Younger siblings not yet in high school during 2027–28 are not eligible** under this exception

ATTENDANCE BOUNDARY RECOMMENDATIONS

STUDENTS REZONED BETWEEN EXISTING HIGH SCHOOLS

Students in Grades 10–12 during 2027–2028 may remain at their current high school when rezoned, based on available capacity and district regulations.

- **12th Grade:** May remain at their current high school
- **10th & 11th Grade:** May remain at their current high school due to available capacity
- Students must maintain **good attendance and behavioral standing**
- Students who choose to remain **will not receive district-provided transportation**
