TRAFFIC AT SEQUOIA

As many of you heard, a former Sequoia student was hit by a car that went through the crosswalk at Einstein Middle School. It is important to remember that children need to be picked up and dropped off safely. Please drive slowly and safely, your children are worth the extra time.

- ✗ Do not stop in the middle of the street and block traffic as you wait for the student to load.
- ✗ Do not have students run across the street. Cars do illegal U-turns and speed down the street.
- ✓ Do talk to your children about how to cross the street and load cars safely.
