PHOTOGRAPHER'S GUILD

Dear Senior Parents,

Greetings from The Photographer's Guild! It's that time of year for your son to have his Senior Portraits taken.

Senior portraits will be taken at the Academy over the course of five days - **December 8th–14th, 2026**.

Each student will have a complete portrait session. Students must wear their **Class A uniform** with all appropriate insignia. Officers will be photographed with a ceremonial sword, which will be provided. Please note: It is the student's responsibility to arrive on time, with the correct uniform and appropriate grooming.

Within three days of each session, the photos will be available online through The Photographer's Guild website at:
www.photographersguild.com/proofing/(your senior's last name)

Use your son's last name (all lowercase) as the password to access his gallery.

Pricing information for senior portraits is included with this letter and will also be available in your son's online gallery. Orders can be placed directly online, or by contacting the studio at: photoguild@gmail.com

Each student will need to select a photo for the senior yearbook. The yearbook image must be chosen from the Yearbook Pose (head and shoulders, hands folded in front and resting on the table - the first pose of the session).

Please make your selection through the **Baby Photo/Family Message Google Form**, linked on the STA website.

All selections must be submitted by **February 1st**.

Students must attend their assigned session time, which is based on their academic schedule. Seniors may not switch time slots. Please contact The Photographer's Guild directly to schedule retakes (additional cost applies).

If you have any questions, don't hesitate to reach out to us.

Thank you!

Warm regards,
Libby Benedict
