☐ Celebrations
- -Hired 2 part time interventionist
- -Chromebook carts purchased
- -Dunaway Collaboration for internalization: very positive and thank you to our teachers who have been going over to Dunaway and using this time for intentional collaboration.
- -30-60-90 PD/ District Training: Teacher PD has been shared in PLC and there is a system for looking at
- -LIM Symposium coming up: Mrs. Juarez will be presenting at the breakout session. We will be recognized in Oklahoma to
- -Leader In Me Honor Roll: Kickball celebrations with buddy leaders was a lot of fun.
- -EBA grams funded Soccer Goals: 3rd graders have a system for designing the gram, selling the gram and delivering the gram. Students wanted more soccer goals and we met the goal. Students made trackers to shared on the walls to motivate the campus to keep buying. A donor matched the money raised so the campus can possibly get more expensive goals than originally

☐ Review CNA/CIP
- Genius lightbulb on doors to share the great instructional practices that are happening on campus.

- 20% of our 1st-5th grade students are new to campus. Working on opportunities for leadership roles and giving the new students opportunities to learn the 7 habits.
- Our fine arts department is doing a 1 hour show this year.
- Family and community partnerships attended our first business mixers and it was fun to see how they want to help us around campus.
- Fall festival day will be this

☐ Announcements/ Action Team Updates
- Academics: Students to empower their own learning is the biggest focus. Staff will check in on middle of the year goals and through buddy leaders. The celebration committee is working
- Culture: Student voice and belonging is the focus. Student ambassadors will choose the dress up days for the 5 days before Christmas. The goal is to get the younger students to get involved in campus leadership roles. Staff
- Leadership: Talking more about fundraising in the spring with kindness-a-thon to tie these funds to specific events. They are working on the community field trip as a campus to provide an opportunity for every grade level. The action team wants to continue to improve
- February 2 is a tentative date for our student led conference night. More information is coming!

☐ Donation-A-Thon funding Update
- Parent Lighthouse partnership allows us to move outside of
- Every student gets a field trip shirt including SLE.
- How can we use the rest of our $6,930 to help go towards our campus wide experience?
- We discussed options on how to spend the rest of the funds from the donation-a-thon.

☐ Data Update
- Mrs. Schaeffer went through the 30,60,90 tracking sheet by grade level/subject. The data is consistent and being intentional about the . Dawn Hilburn said to look at both sides of not just 30,60, 90 but also still looking at the % to see because they still may have earned an A rating for the unit and module assessments. 60% is the primary goal to be an A rating Dawn Hilburn gave the CEIC committee an update on students taking ownership and it goes down to students making choices that will benefit their academic achievement and growth.
- <u>Reflection:</u> How do we get students to reflect? This data is lag data and we cannot change it but what are we going to do using the data to drive our instruction. How are we letting students fail or modeling the process of failure to learn from their mistakes?

☐ Campus Furniture Refresh
- Celebration: campus refresh and working with school speciality to outfit our new campus.

☐ 27-28 School Calendar going to DEIC on the 19th

-
- Feedback form has been sent out. Feedback form for our families to get feedback for how we can support our families voice in the academic calendar.

☐ Questions
- No questions at this time.

☐ Mission Statement
- We will grow our voice, model kindness, and lead the way.
