E-Bike Safety - Riding an e-bike is a fantastic and efficient way to get around, but it comes with the responsibility of keeping ourselves and our community safe. Whether you are commuting or just out for a ride, please keep these essential safety practices in mind. E-bikes are subject to specific rules regarding speed limits, helmet requirements, and where you are legally allowed to ride (such as roads, bike lanes, or multi-use paths). Always look up your local regulations before heading out. Share the pavement courteously. Yield to pedestrians, use a bell or a friendly verbal warning when passing from behind, and maintain a safe, predictable speed around others. Always wear a properly fitted helmet, use front and rear lights (especially in low light), and obey all standard traffic signals and stop signs. By staying informed and riding mindfully, we can ensure the roads and paths remain safe and welcoming for everyone.

On Wednesday, November 18th, ALL seniors will be participating in the **Bite of Reality activity** sponsored by UMe Credit Union and the Burbank Arts & Education Foundation. Seniors will attend one of two sessions depending on their assigned Government/Economics teacher. Bite of Reality is a hands-on, app-based financial literacy simulation. Students are assigned an occupation, monthly salary, credit score, debt, and a family. Students then have to make mandatory and optional purchases within their budget – including housing, transportation, food, clothing, childcare, and entertainment. They will also experience unexpected financial windfalls or emergencies – just like in "real" life! Credit counseling is available for when they go over budget and need to readjust. If you'd like to learn more about the event, GMJB reporter Bonnie Kretzman produced a segment last year highlighting the experience: https://www.youtube.com/watch?v=5y1KaD2dZvc. If you are interested in volunteering to help staff our stations, please reach out our event coordinator/Economics teacher, Jan Hacker at janhacker@burbankusd.org for more information.

Grad Nite - Seniors! Grad Nite is on Friday, 5/14/2027. Tickets to Disney California Adventure park are on sale now for $170 without ASB card and $165 with ASB card. Buy your ticket from the student store asap as they will get sold out soon. Also, please select your bus wisely. You cannot switch after you select one at the time of purchase.
