Cuyahoga County
Property Tax Calculation Error

$611,346

Excess Property Tax Collections for Fairview Park City Schools

What Happened?

Cuyahoga County did not properly adjust tax rates for certain fixed-sum (emergency) levies after the 2024 property reappraisal.

Who Was Responsible?

The error occurred at the county level, not at the district level.

How Will It Be Corrected?

The overcollection will be returned to taxpayers through reductions in future property tax collections, over a two year period.

What's Next?

The District is working with Cuyahoga County to implement the adjustment and will keep the community informed.

Fall Athletics Recap

This fall, **267 student-athletes** represented Fairview Park City Schools, including 198 high school and 69 middle school athletes. Our high school teams captured **five conference championships**, with multiple individual and team accolades highlighting a strong and exciting season across the board.

FOR A FULL LIST OF SCHOOL CALENDAR EVENTS

A new school year brings plenty to celebrate

It's hard to believe we've already completed the first quarter of the 2026-2027 school year. The past several months have been busy, and great things continue to happen throughout Fairview Park City Schools.

I am grateful for the dedication of our teachers and staff, the enthusiasm our students bring to school each day, and the continued support of our families and community. Together, these efforts create an environment where students can learn, grow and succeed.

With the busy schedules and daily responsibilities that come with a new school year, it's sometimes easy to overlook the many accomplishments taking place in our classrooms and school buildings. I hope you enjoy reading about some of these successes in this edition of the Warrior Wire and join us in celebrating the hard work that makes them possible.

Thank you for your continued support of the Fairview Park City School District.

Go, Warriors!
Keith Ahearn, Superintendent

Fourth graders at Gilles-Sweet Elementary commemorated Patriot Day through the America Project, supported by the Fairview Park Education Foundation. Students placed hundreds of American flags around the school, wrote letters thanking local first responders, created patriotic ribbons and explored stories of courage and service from Sept. 11, 2001.
