

FROM THE PRINCIPAL

Dear GMS Families,

As we begin November and move into the second quarter, we have much to be thankful for at Greenville Middle School. Thank you to our teachers and staff for their dedication, our families for their continued support, and our students for the effort they bring each day.

The start of a new quarter is a great opportunity for students to reflect on their progress, set goals, and build strong habits. Please encourage your child to attend regularly, complete assignments, and ask for help when needed.

This month, we challenge our students to show gratitude through their actions—thank a staff member, include a classmate, or lend a helping hand. Small acts of kindness make a difference.

Thank you for being part of our GMS community!
