Dear Parents,

We began a busy week with Mr. B. We knew he arrived because buttons and bears were scattered all over the floor! We played with buttons and bears in different centers and came up with the best Circle Map chart with lots of words that begin with Bb. We are really using our brains to come up with words that begin with our Letter People! We painted beautiful balloons WITH balloons and read books about a dog named, Biscuit. We had a birthday party to celebrate Mr. B's birthday.

The Everyday Words that have been introduced so far are: *I, like, to, is, there, and, see, the, are, you, do, my*, *made,* and *me.* Please review these with your child as you are reading to them.

Show & Tell for next week will be something that begins with letter Y or Z. Remember your child may bring in a picture or drawing if they don't have an object.
