WEBSTER ELEMENTARY SCHOOL

ACAT INFORMATION NIGHT!

November 12th 6:30-7:30

LIVONIA PUBLIC SCHOOLS

Could ACAT Be a GREAT Fit for Your Child?

Does Your Child:

- Love to learn and explore new ideas?
- Crave academic challenges?
- Enjoy thinking deeply and asking "why?"
- Grasp new concepts quickly?
- Demonstrate strong curiosity and creativity?

Join us to learn more about the Webster ACAT Program!

Open to students in grades 1-5 through a selection process. School of Choice applicants from all districts are welcome.

WHAT IS ACAT?

The Alternative Classrooms for the Academically Talented (ACAT) program provides advanced learners with rigorous academic experiences that extend beyond grade-level expectations. Students are challenged to think deeply, question boldly, and explore complex concepts. Our program nurtures academic growth while celebrating each child's unique strengths, interests, and individuality, fostering curiosity, creativity, confidence, and a lifelong love of learning.

WHAT MAKES ACAT UNIQUE?
