FAIRVIEW PARK CITY SCHOOL DISTRICT STATEMENT REGARDING PROPERTY TAX ERROR

Fairview Park City Schools was recently notified by the Cuyahoga County Auditor of a property tax calculation error made following the 2024 property reappraisal. The error resulted in the overcollection of $611,346 in property taxes associated with certain district emergency levies. This error occurred at the county level and was not the result of any action taken by Fairview Park City School District or the Board of Education.

We understand how frustrating this news may be for residents, especially as families continue to manage everyday expenses. We are working with county officials as they determine the process for correcting the overcollection through reductions in future property tax collections.

We appreciate our community's patience as this issue is resolved and will share additional information as it becomes available.
