CLASSROOM CELEBRATION GUIDE (K-6)

Foods and beverages served in the classroom must adhere to USDA SMART SNACK school nutrition standards, effective from before school to one-half hour after school. **However, non food celebrations are highly encouraged.**

For Snacks:

- Pre-packaged from a reputable source (cannot be homemade)
- All ingredients must be labeled in case of allergies
- First ingredient must be a whole grain, fruit, vegetable, a dairy or protein food.
- Cupcakes, cookies, candy, and other items that do not meet standards are not permitted.

Classroom Celebration: The distribution of any type(s) of food or beverages to one or more students offered in the classroom, which may include birthdays, holidays, and other special events, or they may occur spontaneously, without any specific purpose or intention.

Classroom Celebrations

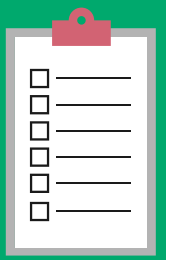

- Must be after the last lunch period
- Up to one per month, maximum 10 per school year
