LVJUSD 31ST ANNUAL

MATHCOUNTS COMPETITION

What Are The Competition Rounds?

Part 1: 30 questions
Part 2: 8 questions
Part 3: Team round (teams of 4)

Scores from Parts 1 and 2 combine to determine who advances to the final "Countdown" Lightning round.

What is MATHCOUNTS?

A fast-paced, problem-solving competition where students take part in two individual rounds and one team round. Using their school Chromebooks to access and submit questions, students work through challenging math problems with scratch paper allowed.

What should Mathletes Bring?

- ☑️ **School Chromebook**
- ☑️ **Pencil**
- ☑️ **Scientific calculator (non-programmable) ask your MATHCOUNTS coach to borrow one if needed**
- ☑️ **Water bottle**
