November 2026

Dear Parents/Guardians,

THS parent teacher conferences are on Thursday, November 19 from 5:30 to 8:30PM. Conferences will be virtual and are *not mandatory*.

We will use the Genesis Parent Portal to schedule conferences. The conference tab will be made available for scheduling beginning at 9am on Monday, November 16 and closing at 3pm on November 18th. Please note that each teacher has a limited number of conference appointments available. If you are unable to secure an appointment and have concerns regarding your student, please email the teacher directly to schedule either a phone conference or private appointment at a mutually convenient time.

If your child is in a class supported by a Special Education or ELL teacher, please only sign up for a conference with the mainstream teacher to help streamline scheduling.

When using the "Forgot My Password" click one time only and wait for a new password to be sent to your email.

Please click on the **Conferences** tab to book a conference. Next click the link to **Schedule a Conference**. You will view a list of your child's teachers and available conference times. The final step is to click the **Reserve** button next to the time slot you wish to reserve.

Once the time slot is reserved, teachers will email parents a meeting link to meet virtually on 11/19/26.

If you have any questions, please contact the Principal's Office at 201-816-6614 or Vice Principal's Office at 201-816-6603.

Thank you.
