Important Notice for HEHS Event Attendees

Dear Parents/Guardians and Community Members:

Hoffman Estates High School welcomes attendance at our after school events. To ensure a safe and orderly experience for our students, community, and visitors at home athletic games and events, please review our procedures and guidelines for after school events as follows:

Please note that non-Hoffman Estates High School students 14 or under MUST be accompanied by an adult throughout any event. Non-HEHS students, 14 or under, will not be allowed entry without an accompanying adult. The accompanying adult MUST remain present and supervise the 14 and under child for the entirety of any HEHS event.

Hoffman Estates High School reserves the right to search any bag upon entry into the stadium.

Vaping/smoking and alcohol are NOT allowed anywhere on our premises. We are a drug free campus.

Students will need their school I.D.'s to enter after school events.

No outside food or beverages are allowed.

Please do not congregate around entrances and exits to ensure clear walkways, especially near the Concession area.

Please park in designated spots ONLY. Additional parking is available in the HEHS West Lot.

Fans and spectators attending any HEHS event are expected to model good sportsmanship and the use of appropriate language.

We appreciate your partnership to ensure a fun and safe educational environment.
