Junior/Senior
Off Campus Extended Lunch
Privilege 2026-2027
Information, Permission, and Waiver

AHS will offer eligible Juniors/Seniors the option to leave and re-enter the school campus on designated days for an extended lunch period as both recognition for their demonstrated maturity and responsibility as well as an incentive to keep up the good work throughout their junior/senior year.

To be initially eligible, AHS juniors/seniors must:

- ✓ Receive Parental/Guardian Permission;
- ✓ Be on track for graduation;
- ✓ Be classified as juniors/seniors and enrolled in correct courses;
- ✓ Meet necessary PSAT benchmarks (11th Grade Only) from the student's 10th Grade PSAT administration; and

To remain eligible, during that current semester, AHS juniors/seniors must also:

- ✓ Receive no more than three unexcused period absences;
- ✓ Receive no more than three tardies to the class following the extended lunch period;
- ✓ Receive no more than two days of in-school suspension during that current semester;
- ✓ Receive no out-of-school suspensions; and
- ✓ Have no failing grades at the 4.5 week and/or 9-week progress reports grade. **Failing grades may revoke your privilege for the rest of the semester.**

If a participating AHS junior student loses eligibility during the current semester, he or she will not be able to participate for the rest of the semester. If a participating AHS senior loses eligibility during the 4.5 week and/or 9-week grade report, he or she may gain the privilege back upon passing all courses as indicated in the initial eligibility application. The extended lunch privilege is scheduled to begin on the following dates:

- ✓ **By August 17; October 30; January 5:** Off Campus Privilege begins for eligible juniors/seniors**.** *The privilege does not start until it is reflected in Infinite Campus*. Leaving campus before it is reflected on your schedule will revoke in loss of the privilege.

NOTE: A student's extended lunch period will include their scheduled lunch period as well as 5th period, lasting **87** minutes. It is the student's responsibility to arrive to all class periods on time, immediately following any off campus privilege; habitual tardies and/or unexcused absences will result in loss of privileges.

The junior/senior must have their student ID with the lunch privilege sticker attached to their lanyard in order to leave campus. The junior/senior will be responsible for leaving campus in a timely, orderly fashion, and returning in time to attend his/her next scheduled class. Juniors/seniors that use the extended lunch privilege may not return to campus until their next assigned class period. Juniors/seniors may not bring outside food or drink back onto campus. If an eligible junior/senior decides not to leave campus for extended lunch, the junior/senior will report to a "drop in classroom" and report to the junior/senior's regularly scheduled lunch period. **Students may only utilize the "drop in" option a maximum of (5) days per semester, after which they will forfeit the extended lunch privilege and be assigned to an advisement class and required to attend their regular lunch.**

Students out of compliance with the requirements for the extended lunch privilege listed above will have their privilege revoked.

The waiver on the next page is to be submitted via Microsoft Forms for review/approval no later than 11:59pm on Sunday, January 3, 2026. Forms turned in after this deadline will not be accepted.

Approved students are required to attend a mandatory information meeting in the auditorium on January 8, 2027. Only students that attend this meeting will receive final approval and stickers.
