This is not a contract. This benefits summary presents plan highlights only. Please refer to the policy/ plan documents, as limitations and exclusions apply. The policy/ plan documents control in the event of a conflict with this benefits summary.
(1) Your group's benefit period is based on a Calendar Year which runs from January 1 to December 31.
(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include any medical and prescription drug deductibles, coinsurance, and copays. If you are enrolled in a "Family plan", with your aggregate deductible, once an individual's deductible is satisfied, claim reimbursement for covered services will begin for that member. Once the family deductible is satisfied collectively by covered family members, claim reimbursement will begin for all covered family members. With your aggregate out-of-pocket limit, once an individual's out-of-pocket is satisfied, claim reimbursement for covered services will increase to 100% that member. Once the family out-of-pocket is satisfied collectively by covered family members, then 100% claim reimbursement for covered services will begin for all covered family members. With your aggregate TMOOP, once an individual's TMOOP is satisfied, claims will pay at 100% of the plan allowance for covered expenses for the rest of the benefit period. Claims for the remaining family members will pay at 100% once the family TMOOP amount is satisfied collectively.
(3) On-Demand Telemedicine Services (acute care for minor illnesses available on-demand 24/7) must be performed by a Highmark Designated Telemedicine Provider. Additional services provided by a Designated Telemedicine Provider are paid according to the benefit category that they fall under (e.g. PCP is eligible under the PCP Office Visit benefit, Behavioral Health is eligible under the Outpatient Mental Health Services benefit).
(4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).
(5) Benefits for Emergency Care Services rendered by an Out-of-Network Provider will be paid at the Network services level. Benefits for Hospital Services or Medical Care Services rendered by an Out-of-Network Provider to a member requiring an inpatient admission or observation immediately following receipt of Emergency Care Services will be paid at the Network services level. The member will not be responsible for any amounts billed by the Out-of-Network Provider that are in excess of the plan allowance for such services.
(6) Air Ambulance services rendered by out-of-network providers will be covered at the highest network level of benefits.
(7) Diagnostic assessment to diagnose Autism Spectrum Disorders may be performed by a licensed physician, licensed physician assistant, licensed psychologist, or certified registered nurse practitioner. Diagnostic assessments performed by a licensed physician, licensed physician assistant, or certified registered nurse practitioner will be covered as specified in the Office Visit benefit category. Diagnostic assessments performed by a licensed psychologist will be covered as specified in the Mental Health Care Services-Outpatient benefit category. Applied Behavioral Analysis for the treatment of Autism Spectrum Disorders will be covered as specified above. All other Covered Services for the treatment of Autism Spectrum Disorders will be covered according to the benefit category (e.g., speech therapy, diagnostic services). Services for the treatment of Autism Spectrum Disorders do not reduce visit/day limits.
(8) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.
(9) If you receive services from an out-of-area provider or an out-of-network provider, you must contact Highmark Utilization Management prior to a planned inpatient admission, prior to receiving certain outpatient services or within 48 hours of an emergency or unplanned inpatient admission to obtain any required precertification. If precertification is not obtained and it is later determined that all or part of the services received were not medically necessary or appropriate, you will be responsible for the payment of any costs not covered by your health plan.
(10) Covered Services will be covered according to the benefit category to which they apply (e.g. outpatient surgery, hospital inpatient, diagnostic services).
(11) The Highmark formulary is an extensive list of Food and Drug Administration (FDA) approved drugs selected for their quality, safety and effectiveness. The formulary was developed by Highmark Pharmacy Services and approved by the Highmark Pharmacy and Therapeutics Committee made up of clinical pharmacists and physicians. All plan formularies include products in every major therapeutic category. Plan formularies vary by the number of different drugs they cover and in the cost-sharing requirements. Your program includes coverage for both formulary and non-formulary drugs at the copayment or coinsurance amounts listed above. Under SensibleRx Choice, when you purchase certain brand drugs that have generic equivalents, you will be responsible for the brand drug member cost share indicated plus the difference in cost between the brand and generic drugs, unless your doctor requests that the brand drug be dispensed. Your plan requires that you use Accredo specialty pharmacy for select specialty medications. The Copay

Armor program helps members to afford high cost medications (mostly specialty) by leveraging manufacturer coupon dollars. Members will not need to change where prescriptions are filled and will be contacted by Pillar Rx for cost savings enrollment. This program utilizes the Copay Armor Plus drug list.
