The GIVE Family Connection Center

Subject: Your Family Is Welcome Here—Visit Our Family Connection Center!

Dear GIVE East Parents, Guardians, and Caregivers,

We warmly invite you to visit The GIVE Family Connection Center! Our center is a welcoming place where you can use helpful tools, ask questions, and connect with resources for your family. You do not have to wait until there is a problem to reach out.

Whether you need to print a document, check your student's progress, or find support for a family need, we are here to help you take the next step.

- **Use our computers and printers.** Access email, complete online applications and school forms, search for jobs or community services, and print documents. Ask us for help getting started.
- **Stay connected to your student's learning.** Get help navigating ParentVUE, ParentSquare, and Google Classroom to check grades, attendance, assignments, and school messages.
- **Find food and basic-needs resources.** Receive referrals to food pantries and organizations that may help with clothing, housing, utilities, transportation, and other family needs.
- **Connect with mental health and wellness support.** Ask about referrals to community counseling, family-support, and mental health services for adults and students.
- **Explore student supports.** Learn how to connect with school staff for academic, attendance, behavior, special education, and other student-support needs.
- **Build skills and get involved.** Learn about family workshops, adult education and employment resources, upcoming events, and opportunities to participate in our school community.

Not sure what to ask for? Start with a conversation. We will listen, help identify possible resources, and connect you with the appropriate school staff or community organization. Personal concerns can be discussed privately. Community services depend on each organization's eligibility requirements and availability.

Ready to visit? Reply to this email or contact the GIVE East front office and ask to connect with Dr. Bullard at the Family Connection Center. We can help arrange a visit and confirm available hours. When you arrive, please check in at the front office.

You are an important part of our school community. We look forward to welcoming you and supporting your family!

Warmly,

Dr. Pauline Bullard
Family Connection Center Coordinator
