2026 Indiana Youth Tobacco Survey

This survey is about tobacco. We would like to know about you and things you do that may affect your health. Your answers will be used for programs for young people like yourself. The answers you give will be kept private. NO one will know what you answered. You will not put your name or any other identifying information on the survey, and no school or student will be mentioned by name in any report of the results. Survey responses entered by you will not be tracked by IP address and cannot be identified by your device (laptop, tablet, or phone).

Answer the questions based on what you really do and know. Completing the survey is voluntary. Whether or not you answer the questions will not affect your grade in this class. Try to answer all the questions. If you do not want to answer a question, just leave it blank. There are no wrong answers. The questions that ask about your background will only be used to describe the types of students completing this survey. The information will not be used to find out your name. No names will ever be reported. Please read every question. Try to answer all the questions. Select the squares or circles next to the response you choose. When you are finished, follow the instructions of the person giving you the survey.
