Public Comment

District Policy 180.05 provides an opportunity for the public to address the Board. We value the public comment period and feedback from our stakeholders. To comply with the Open Meetings Law and to ensure consistency, public comment will have the following parameters:

- Public comment is scheduled for 15 minutes. Speakers will have three minutes in which to make their comments. Ms. Katie Heitz will signal the speaker when their time is up.
- The Board will not comment after each speaker and will reserve discussion to any items on the agenda. Speakers are welcome to stay for the meeting.
- Next steps following public comment may include: referral to the appropriate administrator for follow-up with the speaker or placement of the matter on a future Board agenda.

APPROVAL FORM FOR FIELD TRIPS NOT WITHIN THE SCHOOL DAY

Please Read School Board Policies Entirely:
352: School-Sponsored Field Trip
352.06: School-Sponsored Field Trip Administrative Guidelines

A preliminary request using this request format must be presented to the Board of Education for approval prior to making any commitments to students or parents. The preliminary request must indicate if there is a possibility for a follow up competitive trip later on.

A final proposal should be submitted for Board approval at least **30 days** prior to date of departure. A final proposal must include all data not available on the preliminary report.

A copy of both the preliminary and the final proposal should be submitted to the designated associate principal that oversees field trips.

To: Chicago International Model United Nations (CIMUN) Conference. Fairmont Hotel - **200 N Columbus Dr, Chicago, Illinois**

From: Oregon High School

Date of Trip: December 3rd - 6th, 2026

Number of Overnights
One or less = superintendent's permission, More than one = BOE permission.
3 Nights

Approximate Round Trip Distance
No more than 400 mile round trip = superintendent's permission, greater distance = BOE permission.
300 miles round trip

Objective of the Trip
Explain how this field trip is related to the curriculum.
This trip to Chicago is for a multi-day Conference for our Model UN Club Members to participate in. Students will get hands-on experience with a simulation of United Nations Committees and have the opportunity to represent various countries with political, cultural, economic, and social issues. CIMUN is one of the most well known and respected Model UN Conferences in the Midwest.

Transportation

If District transportation is needed, list details of those needs.

We plan on sharing transportation with Waunakee and Edgewood High School (which we did last school year as well). Waunakee is working on getting us an invoice for bus transportation that we will split 3 ways between Waunakee, Edgewood, and Oregon.

Principal/Designee Approval: _____ Date: 10/26/26

Superintendent/Board Approval: _____ Date: _____

Transportation Request forwarded to Transportation Director Date: _____

The teacher responsible for the trip must provide a written summary of any and all behavior, medical emergencies and/or injuries to the building administrator and Superintendent upon return to school. The summary shall include teacher response to the incident.

DATE: November 9, 2026

AGENDA ITEM: C1 2027-2028 School Calendar

SUPPORTING DATA

Building the school calendar each year presents unique challenges as we balance the needs of students, families, and staff. Key considerations include maintaining a similar number of days per semester, scheduling around holidays, planning for inclement weather, and finishing the school year by the first or second week of June.

In building the calendar for 2027-28, here are the educator contract days for 2027-28 to keep in mind:

Educator Contract Days	
Student Instruction	177
Professional Development - In-Service	6
Ready Set Go Conferences (August)	1
Professional Learning Days	5
Professional Development Day - Grading, Report Cards, IEP/504 Completion, Community Building, Check-Out (June)	1
Family / Student Conferences Compensation Days	2
Holidays (Memorial Day, Thanksgiving, Labor Day)	3
Total	195

In September 2026, the District sent a calendar survey to all staff and families. On

September 29 and October 6, we also met with the Oregon Education Association to discuss calendar options.

SURVEY RESULTS

Approximately 1,073 people responded to the survey, which was distributed to staff and families in English and Spanish. District employees comprised 39% of respondents. The key results are highlighted below. Regarding the dates for breaks, both staff and families preferred the same dates. We also checked with area schools, and the recommended spring break aligns with UW-Madison and many other surrounding schools.

Non-Student Days - Timing

Regarding the timing of non-student dates, the following were the respondents' strongest preferences:

Fall Break:	October 29 and November 1, 2027	(55%)
February Break:	February 18 and 21, 2028	(35%)
Spring Break	March 27 - March 31, 2028	(53%)

Non-Student Days - Priorities

The respondents also ranked the following as either their 1st or 2nd priority:

Having December 23 as a non-school day	(52%)
Having a 2-week winter break	(46%)
Ending as early a possible in June	(45%)
Having a two-day fall break	(30%)
Having a two-day break in winter	(25%)

Early Release On Last Day of School

The OEA has strongly advocated for an early release day for grades K–6 on the last day of school. If we wanted to ensure serving lunch to students that day, the earliest elementary dismissal would be 1:00 p.m. Due to our two-tiered transportation system, OMS and OHS would then need to dismiss at 2:00 p.m. or later.

Based on the survey data, staff overall support early release, and many families prefer it as well.

Last day preference	All staff (418)	Staff with children (273)	All nonstaff families (655)	K–6 nonstaff families (470)
Early release	73.0%	78.0%	36.8%	32.3%
Full day	4.5%	5.9%	18.9%	24.3%
No preference	22.5%	16.1%	44.3%	43.4%
Total respondents	418	273	655	470

Here are the K-6 nonstaff family respondents broken down by school:

School	Early release	Full day	No preference	Responses
Brooklyn	33.3%	23.3%	43.3%	90
Forest Edge K–6	28.3%	23.2%	48.5%	99
Netherwood Knoll	25.8%	30.8%	43.3%	120
Prairie View	41.0%	14.5%	44.6%	83
RCI	38.6%	22.1%	39.3%	140
All K–6 families	32.3%	24.3%	43.4%	470

We are recommending that the last day of school remain a full instructional day. We used Board Policy 175: Student Centered Decision-Making to arrive at our recommendation, specifically focused on our District's values and the impact of an early release on our school community.

We recognize the importance of educator well-being, professional sustainability, and the effective use of instructional time. However, a full school day ensures consistency, access to lunch and school-based supports. Early release may disproportionately impact families with limited childcare options, inflexible work schedules, or fewer financial resources.

While survey respondents supported early release, this preference does not necessarily reflect the needs of families who may be most adversely affected. We must balance staff needs while recognizing that equity-centered decisions require us to consider not only what works best for the majority, but also those who face the greatest barriers and

are most impacted.

There are also some key operational considerations 7-12 if we do an early release for grades K-6, such as OMS's moving on ceremony, OHS final exams and graduation practice, and asking bus contractors to provide transportation on a different schedule.

To help address staff needs, we also have a professional development day recommended for June where staff can engage in community building and completing activities necessary to conclude the school year.

Ready Set Go (RSG) Conferences

We are always trying to improve the format of our RSG conferences to meet the needs of families and staff. These results suggest that we continue to provide individual conferences at RSG.

Preferred format	All EC–8 families (772)	All staff (418)
Individual conferences	48.3%	19.9%
Open house	18.3%	22.0%
Small-group conferences	12.4%	8.1%
Supply drop-off only	7.0%	9.3%
No opinion / Not applicable	14.0%	40.7%
Total respondents	772	418

Parent / Teacher Conferences

The OEA proposed scheduling parent/teacher conferences across one evening and one daytime block (with no school for students). However, because the vast majority of families prefer evening conferences, we recommend maintaining the current schedule. We will continue providing flexible options for families unable to attend in the evening and work on scheduling that helps provide balance for staff.

Preferred Conference timing	All staff (418)	Staff with children (273)	All nonstaff families (655)	K–6 nonstaff families (470)
Evening	18.7%	22.7%	74.5%	80.4%
Afternoon	30.6%	28.9%	8.2%	9.4%
Morning	14.1%	15.8%	0.9%	0.9%
No preference	36.6%	32.6%	16.3%	9.4%
Total respondents	418	273	655	470

Late Start Mondays

A recurring theme in the comments is the difficulty of accommodating Monday late starts, particularly for working parents who must arrange childcare. To assist families, the District provides K–6 student supervision.

While we know that it is challenging for families, we recommend continuing Monday late starts through at least the 2027–28 school year to gather an additional year of data on student impact, particularly for striving learners.

Other Important Considerations for the Calendar

- By state law, we are generally not able to start school prior to September 1.
- We recommend continuing late start Mondays at least through the 2027-28 school year in order to have one more year of data to assess the impact.
- With having late start Mondays, we scheduled all PD days for Mondays to keep a more consistent schedule for students, families and staff.
- With having late start Mondays, we added an additional student instructional day, and we have fewer professional development days during the school year in order to meet our required instructional minutes.
- We will have e-learning days on the ACT and Aspire testing days for students at OHS who are not participating in the test. We will communicate that to families next year once we know the dates.
- We built in three days for inclement weather. If we have fewer than three days, school will end earlier. We make that decision in April once we are confident that we won't have additional inclement weather days.

SUMMARY AND RECOMMENDATION

Based on survey results and feedback from the administrative team and the Oregon Education Association, we recommend that the Board approve the attached 2027–2028 school calendar.

AGENDA ITEM: C3 Social Media Class Action

SUPPORTING DATA

We recommend that the Board authorize the District's participation in litigation against social media companies seeking to hold these companies accountable for the alleged harms their platforms have caused to students and public schools.
Over the past several years, school districts across the country, including the Oregon School District, have experienced growing concerns about the impact of social media on student mental health, well-being, and academic success. Peer-reviewed scientific research, along with internal studies conducted by social media companies, has raised significant concerns about the relationship between social media use and mental health issues among young people, including anxiety, depression, suicidal ideation, sleep disruption, and eating disorders. The litigation alleges that social media companies knowingly designed platforms with addictive features that encourage excessive use by young people without adequately protecting them from foreseeable harms.

School districts are on the frontlines of the youth mental health crisis. As students experience increasing mental health challenges, schools are called upon to provide additional counseling, behavioral interventions, crisis response, and other student support services. Social media-related conflicts, cyberbullying, and disruptions to student learning also place additional demands on educators and administrators. These challenges require districts to divert valuable staff time and financial resources away from instruction and other educational priorities. The litigation seeks to hold social media companies accountable for their alleged contributions to these challenges and recover resources schools have expended in responding to them.

Participation in this litigation aligns with the Board's commitment to student safety, well-being, and academic achievement. It also provides an opportunity to advocate for greater accountability and stronger protections for children while potentially recovering financial resources that could be reinvested in supporting students.

There is a minimal cost to the District to join the litigation. Under the proposed

Retainer Agreement, legal counsel would receive a 25% contingency fee from any successful recovery. Counsel would advance all litigation expenses, which would be reimbursed only if there is a successful recovery. If the litigation is unsuccessful, the District would not be responsible for attorney fees or litigation expenses.

The anticipated administrative burden is relatively modest. Counsel estimates that District staff would spend approximately 8–10 hours completing the required Plaintiff Fact Sheet and Supplemental Plaintiff Fact Sheet, including gathering existing District documents such as the student code of conduct and policies addressing cell phones, social media, and Chromebooks. The District would not be required to disclose personally identifiable or confidential student information as part of these submissions.

For these reasons, the Administration recommends that the Board approve the attached Resolution authorizing the District to participate in the litigation. By participating, the District would join other school districts in advocating for student well-being, seeking accountability for alleged harms, and potentially recovering resources to better support students, with limited financial risk and a manageable initial administrative commitment.

SUMMARY AND RECOMMENDATION

We recommend that the Board approve the draft resolution and join the Social Media Class Action lawsuit.

A RESOLUTION OF THE OREGON SCHOOL DISTRICT BOARD OF EDUCATION ("SCHOOL BOARD") AUTHORIZING THE RETENTION OF LEGAL COUNSEL TO REPRESENT THE BOARD IN LITIGATION AGAINST CERTAIN SOCIAL MEDIA COMPANIES BECAUSE OF THE SIGNIFICANT HARM TO STUDENTS' MENTAL HEALTH CAUSED BY THEIR PRODUCTS
RESOLUTION 2026-08

WHEREAS, social media companies have developed products designed to promote compulsive and excessive use by school-aged children; and

WHEREAS, the U.S. Surgeon General issued an Advisory in 2023 which reported that up to 95% of youth ages 13-17 report using a social media platform, with more than a third saying they use social media "almost constantly" and nearly 40% of children ages 8-12 use social media even though the commonly required minimum age on most platforms is age 13; and

WHEREAS, peer reviewed scientific literature confirms that the compulsive and excessive use of social media platforms have significantly contributed to a crisis in the mental and physical health of America's school-aged youth as evidenced by increased anxiety, depression, suicidal ideation, eating disorders, harm caused by online bullying, impairment of self-control and regulation, and sleep deprivation; and

WHEREAS, the demonstrated adverse impacts on the mental and physical health and well-being of school-aged children caused by the compulsive and excessive use of social media platforms are manifested in the school environment every day; and

WHEREAS, the harm caused by these products leads to behavioral problems and disruptions in the school environment, impairs and interferes with instruction and student learning, and diverts staff and school resources to respond to and intervene to manage and respond to the significant impact of social media platforms on the mental and physical health of students; and

WHEREAS, over 1,300 school divisions nationwide have to date initiated litigation against social media companies Meta (owner of Facebook and Instagram), ByteDance (owner of TikTok), Snap (owner of Snapchat), and Google (owner of YouTube) and many more school divisions are expected to join the litigation; and

WHEREAS, the School Board supports the effort to hold these social media companies accountable for the harm and disruption caused by the companies' design and engineering of their products intended to promote the compulsive and excessive use by school-aged children; and

NOW THEREFORE BE IT RESOLVED by the Oregon School District Board of Education this _____ day of November, 2026:

1. Authorizes the initiation of litigation against the following social media companies: Meta Platforms, Inc.; Facebook Payments, Inc.; Siculus, Inc.; Facebook Operations, LLC; Instagram, LLC; Snap Inc.; Tiktok Inc.; Tiktok, Ltd.; Tiktok, LLC; Bytedance Ltd.; Bytedance Inc.; Google LLC; and Youtube, LLC (collectively referred to as the "Social Media Defendants").

2. Authorizes the execution of a retainer agreement with the law firms of Lieff Cabraser Heimann *&* Bernstein; Brockstedt Mandalas Federico; Renning Lewis *&* Lacy, S.C.; Spotlight Justice PLLC; and Medina Morgan LLC (collectively referred to as "Counsel") to represent the School Board on a contingency fee basis, meaning the School Board will only be responsible for the payment of attorneys' fees and costs if it recovers damages in the litigation.

3. Authorizes Counsel to file suit on behalf of the School Board against the Social Media Defendants.

4. Authorizes the Superintendent to execute all necessary documents to effectuate this Resolution and to facilitate litigation activities as directed by Counsel, who shall keep the School Board advised of material and significant developments in the litigation.

ADOPTED AND APPROVED by action of the Oregon School

Board this _____ day of November, 2026.
