Colegio Maya - The American International School of Guatemala
(502) 6644-1200 | www.cm.edu.gt

Secondary Science Teacher

Join a small, close-knit international school in the “Land of Eternal Spring.”

START DATE	REPORTS TO	LOCATION
July 2027	**Secondary School Principal**	**Guatemala City**

Interfaces with: Director, Secondary Principal, Faculty, Students, and Parents

Qualifications and Experience

Candidates must meet the general qualifications shared by all Colegio Maya teachers, listed on our website at **www.cm.edu.gt**. In addition, this position requires:

- College degree with coursework emphasis in science, STEAM, and multidisciplinary approaches.
- Current teaching certificate in Secondary Science.
- Flexible and capable of facilitating learning for ages 11-18 with an understanding of the different developmental needs of these age groups.
  - This position will require a mix of Middle School and advanced High School science courses, to include AP Physics.
  - College Board Advanced Placement (AP) program teaching experience is highly preferred.
- An understanding of concept-based, inquiry-driven approaches to science and an ability to foster intellectual curiosity about scientific theory and its real-world applications.

Performance Responsibilities

Teachers share the general performance responsibilities listed on our website at **www.cm.edu.gt**. In addition, this position will:

- Maintain safe, well-organized science laboratories and teach and enforce safe laboratory practices.
- Prepare students for College Board AP Physics examinations and support their success in the course.
- Be committed to instruction that reflects the interconnected nature of the sciences as they are explored and applied in real-world contexts, using STEAM approaches and the Next Generation Science Standards as a guide.
- Incorporate STEAM into classroom instruction.

About Colegio Maya

A school where the whole community works together to foster individual talents.

Who We Are

Founded in 1958, Colegio Maya is a private, nonprofit, nonsectarian, coeducational day school accredited by Cognia and recognized by the Guatemalan Ministry of Education. Instruction is in English (except Spanish classes), and about 27% of

students are Guatemalan, alongside embassy and business families from around the world.

The Performing Fine Arts Center (336-seat theater) and the Colegio Maya community forming the school's initials.

Our Core Values

We hear every voice.
Everyone is special and belongs here.

We work hard.
High standards, balanced with time to play.

We excel at being ourselves.
We champion critical thinkers and unique strengths.

What we say matters. What we do matters more.
Integrity in action.

Campus & Life in Guatemala

- **Facilities:** science laboratories, an Innovation Hub (robotics, 3D printing, video production), media and computer centers, a soccer field, running track and a performing arts center.
- **Setting:** just outside Guatemala City at 5,000 ft, with pleasant weather year-round. Staff enjoy weekend trips to Antigua, Lake Atitlán, volcanoes and ancient ruins.
- **Salary and Benefits:** The salary will be competitive and commensurate with the qualifications and experience of the successful candidate. Details regarding the benefits package will be shared after the first interview, specifically with candidates who advance to the next round.

Procedure for Filing Application

Interested candidates should send an application at the earliest possible opportunity. Candidates should note that in the event an outstanding applicant is identified early in the search process, Colegio Maya reserves the right to make an appointment at any time. For this reason, it is very important that interested candidates apply as soon as possible.

- A letter of application, no longer than two pages, explaining your strengths as a candidate and why you are interested in the Colegio Maya position
- A current résumé not to exceed two pages
- A one-page list of at least three references with current phone numbers and email addresses
- A maximum of three letters of recommendation (scanned at low resolution) which may already be in your possession. No need to seek these if not already in your possession.

Please note that all materials must be scanned into a single pdf attachment of 4MB or less and sent to the Secondary Principal, cmuller@cm.edu.gt and cc'd to hr@cm.edu.gt. For further information about The American International School of Guatemala - Colegio Maya, please see the school's website: www.cm.edu.gt

The review of candidates will begin as soon as applications are received. Video interviews of candidates will take place on a rolling basis and might be scheduled for selected candidates soon after their applications are received.
