Congratulations to our Boys Cross Country Team on competing in the state competition on Friday. Tyler Ottendorfer finished in 6th place and Daniel Preston finished in 9th place. Northview was the ONLY 5A school to have 2 top 10 finishers! The team as a whole finished in 15th place. Congratulations and GO TITANS!

Registration is open for the Fulton County Technology Competition!
If you would like to enter, please see Mr. Paul in the Media Center before the end of school on Thursday, November 12.

Calling All High School Poets!

The Georgia Poet Laureate's Prize is now accepting submissions from Georgia students in grades 9–12. Students are invited to submit an original poem for the opportunity to be selected as the statewide winner or one of four finalists. Selected poems will be published on *Atlanta Magazine's* website.

Poems must be 36 lines or fewer and no more than 250 words, and AI-generated poems are not eligible.

The deadline to submit is January 15, 2027.

More information can be found here: Microsoft Word - PLP Guidelines - 2024 FINAL

The Messenger website has added a new feature that we think you'll enjoy: a daily crossword puzzle! In addition to the daily puzzle, there will also be a special crossword released every Sunday.

Whether you're looking for a quick brain break during the day or just enjoy a good challenge, we encourage you to check them out and support our journalism staff.

We hope you'll give them a try; happy solving!

PSAT 8/9 AND PSAT/NMSQT Scores Released- November 5

On the evening of November 5, students can access their scores on the BigFuture® School mobile app (see below).

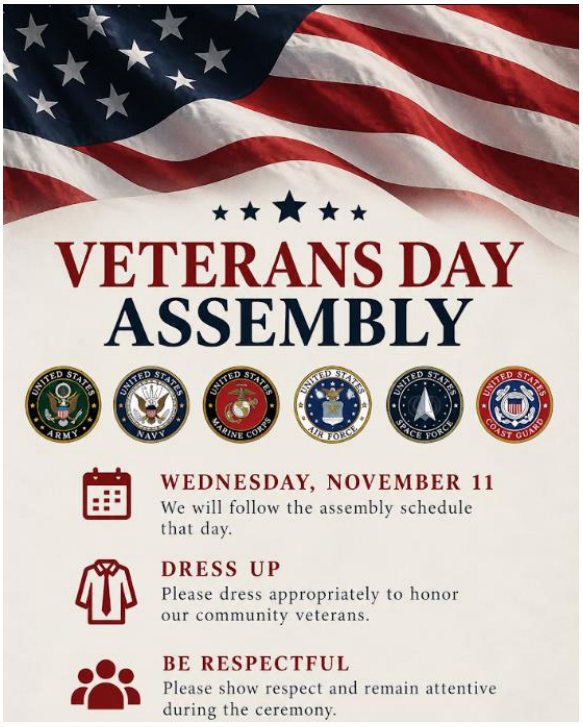

Helping Your Students Access Their Scores

- **If your students provided a mobile number during exam setup, they can easily view their scores on their phone with BigFuture School. The mobile app is part of the SAT® Suite of Assessments and provides secure access.**
- **As always, students age 13 and older can use a personal College Board student account to view additional insights online.**

BigFuture School Mobile App

BigFuture School is students' preferred way to get their scores and answers the question, "Now what?" The app allows students the chance to connect their skills to career and college possibilities. With BigFuture School, students get more.

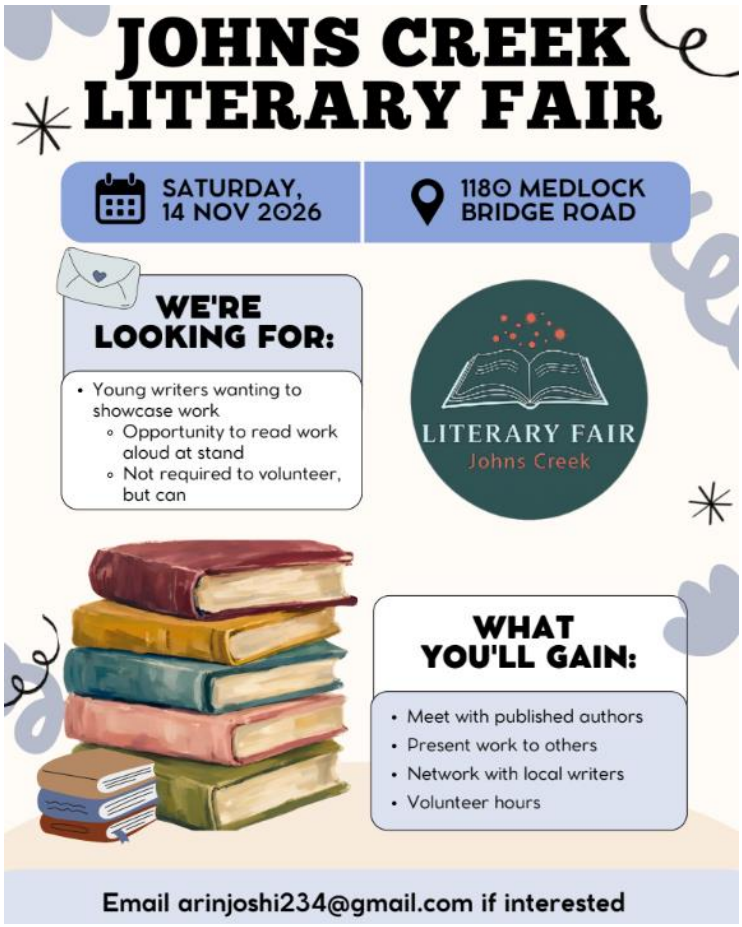

- **Connect Skills to Opportunity: Students can see how the skills they've demonstrated on the PSAT/NMSQT and/or PSAT 8/9 relate to different career options.**
- **More Relevant College Options: Eligible BigFuture School users who opted in to Connections™ can discover colleges that may be a good fit and are looking for students like them.**
- **More Ways to Access the App: Students who don't have the app yet can access it by using their test registration number. If you need your student's test registration number, please reach out to Dr. Bounds for assistance.**
