WICHITA PUBLIC SCHOOLS

TITLE I, PART C
MIGRANT EDUCATION PROGRAM

Supporting Students. Empowering Families. Connecting Resources.

The Wichita Public Schools Migrant Education Program helps eligible children and youth succeed in school by providing educational support, resources, and connections for families.

Our goal is to ensure migratory students have access to the same high-quality educational opportunities as all students and receive support when moves or work-related transitions impact learning.

COULD YOUR FAMILY QUALIFY?

A child may be eligible if ALL of the following apply:

- The child is **under age 21** and has not graduated from high school.
- The child (or parent/guardian) moved within the **last 3 years**.
- The move was related to **temporary or seasonal work** in:

Agriculture /Farming
Ranching
Dairy
Nurseries
Meat
Fishing
Other qualifying agricultural work

Eligibility is based on work and residency history—not race, ethnicity, income, or immigration status.

HOW CAN WE HELP?

Eligible students and families may receive support such as:

- Educational resources and academic support
- School to home communication and advocacy
- School supplies and learning materials
- Family engagement opportunities
- Referrals for community resources
- Connections to health and support services
- College, career, and graduation planning
- Early childhood and school readiness support

Our program serves children and youth from birth through age 21 throughout Wichita Public Schools.
