

What to Expect

The project is on track for construction to resume at the start of summer 2026, with an estimated fall 2027 opening after a projected one-year build time.

NOW POSSIBLE

Thanks to the success of our fundraising and project costs coming in lower than initially estimated, it is now possible that the Field House and Community Hall may be included in the Phase 1 build in addition to building the gym/community center!

★ *See inside for more details on the Field House and Community Hall.*

The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So it is with Christ.

A PLACE TO COME TOGETHER

Project Update

Every Family, Every Prayer, Every Gift Mattered!

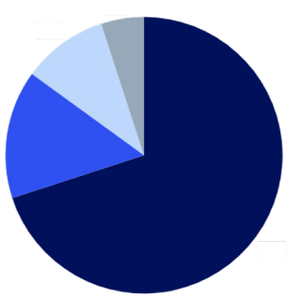

By God's hand alone, we now have over $16.5M in commitments, and 268 families have joined in partnership to move this vision forward. This is the most successful fundraising effort in school history—praise God!

But the impact reaches far beyond the numbers. Carpe Unitas—our call to seize unity—has become more than a motto; it is the heart of this project. As we continue to seek the Lord's guidance for the next phases of campus development, we move forward with a renewed spirit of generosity and hopeful anticipation. Together, we are creating a community village at the heart of campus—one that fosters growth, discipleship, and deep connection for generations to come.

PROJECT OVERVIEW

The project focuses on adding space for indoor athletics, performing arts, and community collaboration in the heart of our campus!

- ☑ Moved the carpool loop from the center of campus to create an agora and central gathering space between all academic buildings *(Completed, Fall 2025)*
- ☑ Added an additional 100+ parking spaces *(Completed, Summer 2025)*
- ☑ Unified the Upper Grammar School classrooms with a new, purpose-built restroom and boardwalk *(Completed, Summer 2025)*
- ◯ Relocate select GS portables to be closer to the new carpool loop *(In Progress)*
- ◯ A competition gymnasium (15,000 sq. ft.) designed to include—
  - » Two basketball practice courts / three volleyball practice courts
  - » Lobby with restrooms and concessions
  - » Stands to accommodate fans and our entire student body, faculty, and staff (approx 800) with additional floor seating available as needed for performances and community events (400+)
  - » Mobile stage and A/V upgrades for larger performing arts productions and events to include acoustic treatments, sound system, lights, and blackout curtains

(Construction to begin Summer 2026)

★ Now Possible in Phase I

- ◯ Field House: Space for locker rooms, weight room, training room, and coaches offices
- ◯ Community Hall: A gathering/event space with a spot for coffee
